....A vele spiegate...sto imparando a navigare...seguo l'onda nella sua discesa... per affrontare la risalita....un vento di prorompente energia soffia sui miei sogni....lo sguardo all'orizzonte....il battito è costante....e la vostra energia che spinge la corrente....in mare aperto....trovo il calore in ogni sguardo...la ricerca della bellezza in un abbraccio....la meta è il viaggio....la vita è il sogno che ho deciso di vivere ad occhi aperti....a passo sicuro....in punta di piedi....

L'abbraccio come punto di ritrovo, lasciandosi avvolgere dall'emozione di un saluto...laddove le parole non possono arrivare, lo sguardo prima di avvicinarsi, il contatto...un intenso minuto per sentirsi vicini.....
un attimo di pura verità....per lasciare il cuore libero di rivelare quello che proviamo...un abbraccio di gioia, il rifugio sicuro...una amicizia sincera.....l'abbraccio che ci libera, l'abbraccio che conquista e ci chiede di restare....un storia che racconta di partenza e di ritorno....

VIAGGIO

Una storia che racconta di partenza e di ritorno....la vita che scorre al ritmo dei nostri passi...ogni luogo rivela i colori di una avventura inaspettata...spazi infiniti di pura meraviglia....una strada da camminare insieme...a imparare il linguaggio del cuore.....per mantenere vivo lo sguardo, il mondo riflette nei nostri occhi il miracolo di un viaggio che ci porta lontano...fino a portarci nell'incanto della nostra energia.....

Il nostro mondo è una favola da vivere intensamente....una storia unica da scrivere ogni giorno.....siamo noi a rendere speciale ogni attimo.... amiamo questa energia intorno a noi...questo continuo incontro di sguardi... un fiume di vite che scorre intorno...la forza dirompente di un mare rapito dal vento....la voglia di stare insieme e prendersi per mano...a formare un girotondo di pura vita...per navigare insieme...a vele spiegate....
