Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.

Remote Area surcharges apply when shipping to, or importing from a remote or infrequently served domestic or international location. Applying these surcharges allows DHL Express to continue providing services to these areas, adding considerable value to our customers. Please refer to your service guide for the applicable surcharge amount in local currency.
