Presentation

Different whisky than Michel Couvreur uses to purpose, Sherry influence being more discreet and Fino Sherry casks make whiskies iodine and floral.

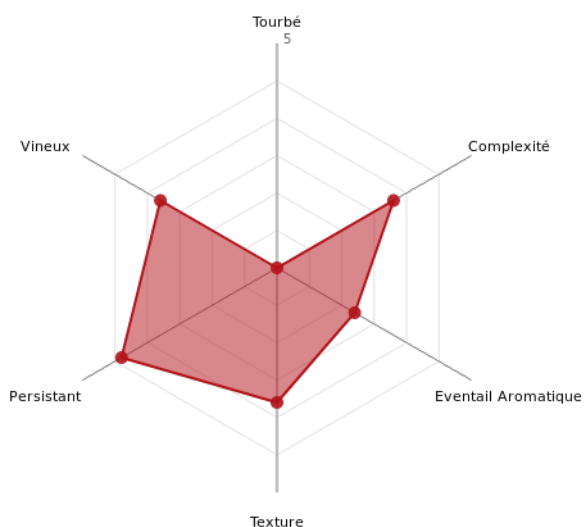

Pale colour because the nature and impregnations of casks.

Nervous, fruity and slightly iodised, but free from wood-strengency. Subtle and long in the mouth. Timid, it needs time to open, its delicate elegance has to be relished. An appearance of fragility behind a fabulous length.

Tasting suggestions

Good companion of cheeses like Epoisses
