### *Cleaning and maintenance*

Here are some tips to keep your Wobbel® Deck® or Pillow® beautiful as long as possible:

1. Single stains can be dabbed, not rubbed, carefully with lukewarm soapy water. Don't dry in the sun and don't use a dryer.
2. The covers of the Wobbel® Deck® and Pillow® are washable in lukewarm water up to 30 degrees in the washing machine. Let them dry laying flat and don't use a dryer.
3. You can iron your Deck® and Pillow® covers on low heat if needed.
4. After washing the covers of the Deck® or Pillow® can look like they have shrunk a bit. No need to worry. They will come back to their original form during use.

### *Use and safety*

Wobbel® Deck® and Pillow® are designed to be used with a Wobbel® board. Also check the manual of the Wobbel® for safe fun.
