PIP STUDIO

# *Yesterday is a treasure, today is a gift*

In 2007, Pip Studio was founded in Amsterdam by Catharina van der Endt who decided it was time to colour outside the lines. Today, Pip Studio has grown up, but kept her playful character. Pip Studio is a reflection of Catharina's positive personality and perspective on life. She is convinced that each moment of each day beholds the opportunity to share and celebrate life with the people we care for.

You could ignore those tiny chunks of gold by sticking to your daily routine. But Pip suggests doing the exact opposite. Chase them, embrace them and cherish them. From waking up in the morning in a beautifully messy bed, walking barefoot over fairy tale tiles to sipping coffee together from royal porcelain cups that are different in every way you look at it.

From teapot to wallpaper, from pillow to cookie jar: Pip brightens your day with a colourful mash-up of styles and stories. Pip is a true treasure hunter. A passionate collector of past prettiness and enthusiastic adopter of bright new technology, like digital textile printing or porcelain cutlery. Resulting in a growing number of collections of today's classics. Pip's products are crafted with eye for the tiniest details. Classic yet inventive, traditional yet original. They remind us to embrace our heritage and inspire us to celebrate life.

**Enjoy our new collection!**

## LILY & LOTUS COLLECTION

*Our new Lily & Lotus tableware is decorated with large imaginative lilies, lotus leaves and dandelions in pastel shades. The flowers and graceful ferns are placed symmetrically, giving this elegant tableware a modern twist.*

*Besides the botanical decors, a number of items are also decorated with a matching kaleidoscopic print, made up of hundreds of small flowers and leaves. The repetition and detailing in this print make you feel as if you are looking through a prism. Many of the items are finished with an extra decorative geometric border.*

*The tableware can be combined with twisted glasses and woven table- and kitchen textiles with fresh modern lilac stripes. The Lily & Lotus collection can be complemented with metal vases and trays in matching colors.*

*The Lily & Lotus tableware is Pip Studio's first collection which is dishwasher-, microwave- and oven-safe!*

## LOVE BIRDS COLLECTION

*One of Pips favorites of all time!*

*The decorative medallion with the robins and other birds still take a central place in this collection. The medallion becomes a real centerpiece, because of the relief on which it is placed. Surprising is the combination of the curly golden decorative elements with the sleek design of both the shapes and stripes in combination of the pink-red color.*

*All products in this collection share the same stylistic characteristics. The decoration around handles, ears and spouts gives this collection its own recognizable style.*

*Besides the all-time favorite color pink-red we introduce a new color for the tableware collection this season: green!*

*The new green tableware collection perfectly matches with the 100% cotton table- and kitchen textiles with green woven stripes. The new color green of the Love Birds collection can be complemented with metal vases and trays in matching green colors.*

## PIP CHIQUE COLLECTION

*The elegant Pip Chique collection is porcelain for true connoisseurs. The plates, cups and bowls are all made of New Bone China, a premium, thin porcelain of high quality with a delicate and sophisticated look and feel.*

*The sleek design and solid color give this porcelain a modern charm, while the matt gold details, elegantly shaped spout, lid and handle gives this collection a classic twist. Pip Chique is available in two different colors: emerald green and fuchsia.*

*The solid colors can be combined with the Pip Chique Stripes collection in a mixture of emerald green and fuchsia. These stripes give just that unique twist to the Pip Chique collection and also combines perfectly with our other porcelain collections like Royal and Love Birds.*

*Newly introduced this season is the solid color yellow and the Pip Chique Stripes tableware collection in a mixture of yellow and sand.*

*You complete your Pip Chique Tableware collection with coordinating glassware and table textiles.*
