# CHRISTMAS ORNAMENTS

The line is decorated with a typical Christmas motif of colorful Christmas accents and symbols. Santa Claus, bauble, nutcracker, bells and gifts, surrounded by holly branches and golden stars create a harmonious, eye-catching composition. Collection packed in a decorative box with the same motif is a perfect idea for an original gift. It is also a perfect addition to winter evenings with hot chocolate or tea, reminding us of the beauty of holidays and the magic of family traditions.

# CHRISTMAS FRUITS

The line is decorated with a motif of juicy orange and pomegranate fruits symbolizing abundance and joy. The twisting branches of holly with intense green leaves and red berries add a festive character to the whole. Additional accents of cinnamon and Christmas sweets evoke aromatic Christmas memories.<br /> Collection packed in a decorative box with the same motif is a perfect idea for an original gift. It is also a perfect addition to winter evenings with hot chocolate or tea, reminding us of the beauty of holidays and the magic of family traditions.
