

# WITSTRO<sup>+</sup> AR400

Powerful Ring Flash

Powerful Ring Flash AR400 is the perfect choice for portrait photography, product shooting, photojournalistic and video recording, etc. It can function as ring flash, outdoor flash, as well as LED video light to offer stable light source with high power and great portability.

- 400W high power to offer shadow-free illumination
- Approx. 450 full power pops, 0.05-2.8s recycle time
- 22 steps of precise power control (1/1-1/128)
- Supports for stroboscopic flash, high-speed sync, etc.

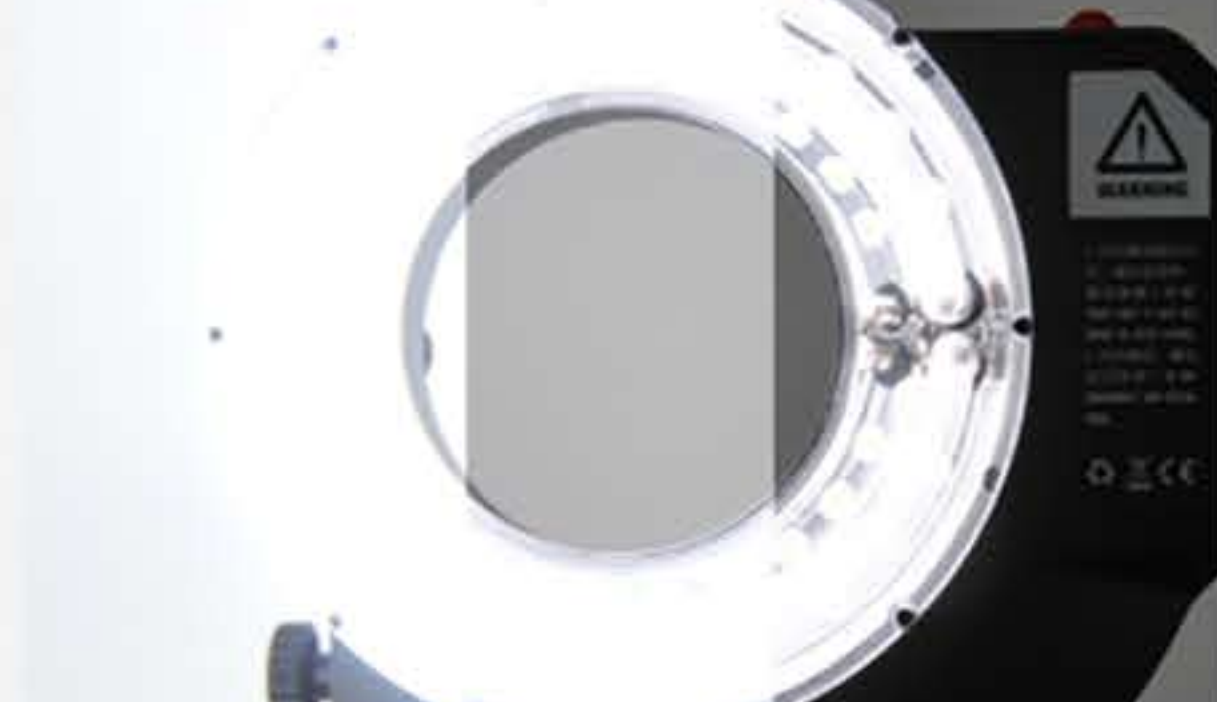

- Use designed remote control to adjust flash parameters and trigger the flash
- Set as LED video light to offer continuous lighting source
- Professional 4500mAh Lithium battery or DC powered
- Useful and practical accessories

## Product Presentation

Wireless power adjusting and flash triggering (optional)

Three steps to adjust LED light brightness

Multiple triggering methods

Portable and durable Lithium battery

Precise control panel

Take it as portable outdoor flash

## Operations

Installing the Camera

Installing the Photo Umbrella

## Included Accessories

- 1\*Powerful ring head
- 1\*Folding light bracket
- 1\*Umbrella bracket
- 1\*Diffusion cover
- 1\*Lithium battery pack
- 1\*Battery charger
- 1\*Instruction manual

## Technical Data

Model	AR400
Battery	AR-B4500 ( Li-ion battery 11.1V/4500mA )
Max Power(Ws)	400Ws
Guide Number(m ISO 100)	36
Full Power Flashes(1/1 )	Approx.450 times
M/S1/S2 Mode	1/128-1/1
RPT Mode	1/128-1/4
High-Speed Sync	1/32-1/1
Recycle Time	0.05-2.8s
Color Temperature	5600K ± 200K
Flash Duration	1/300s - 1/10000s
Triggering Method	3.5mm/PC sync cord jack, Slave triggering, Test button, Wireless control port
100% LED Brightness (LUX)	440 (0.5 m)
Dimension	22.5*23*7cm
Net Weight (with battery)	Approx. 1.4kg
