

# 100 Hour Maintenance Kits

## for Yamaha and Suzuki Outboards

## Performance. Protection. Peace of Mind.

Quicksilver® 100 Hour Maintenance Kits include all the parts you need to perform a 100-hour or annual service on many of the most popular Yamaha® and Suzuki® outboards in one convenient package.

The only aftermarket offerings of their kind, Quicksilver 100 Hour Maintenance Kits make keeping up with your engine's maintenance simple and easy.

### All Kits Feature:

- Premium-quality oil filter with electroplated heavy-duty filter housing to prevent corrosion
- Fuel filter with high pleat count internal element for superior filtration
- New oil and gearcase drain plug gaskets
- All parts are engineered and manufactured to meet or exceed OEM specifications

Complete your service with premium Quicksilver 4-Stroke Marine Engine Oil, available in a wide range of grades and formulations to suit the requirements of all types of engines. Sold separately.
