

A black and light blue plastic bag, likely a reusable shopping bag, is shown against a white background. The bag has a black upper and lower section with a light blue horizontal band in the middle. The word "Forever!" is printed in a large, bold, green sans-serif font across the light blue band.

# Forever!

## Black Navy Grey Pine Camel Blue

### The story

Our bags are famous for their often bright and challenging colour variations. On the contrary, more basic colours such as black and dark blue have always been very popular and much requested amongst our customers.

Since we don't necessarily want to add black and dark blue to our collection every single year, we introduced a collection with basic colours that are never out of stock.  
SUSAN BIJL Forever!

Consisting out of six base colours that make 6 variations. Black, Navy, Grey, Pine, Camel and blue.
