## Recollection

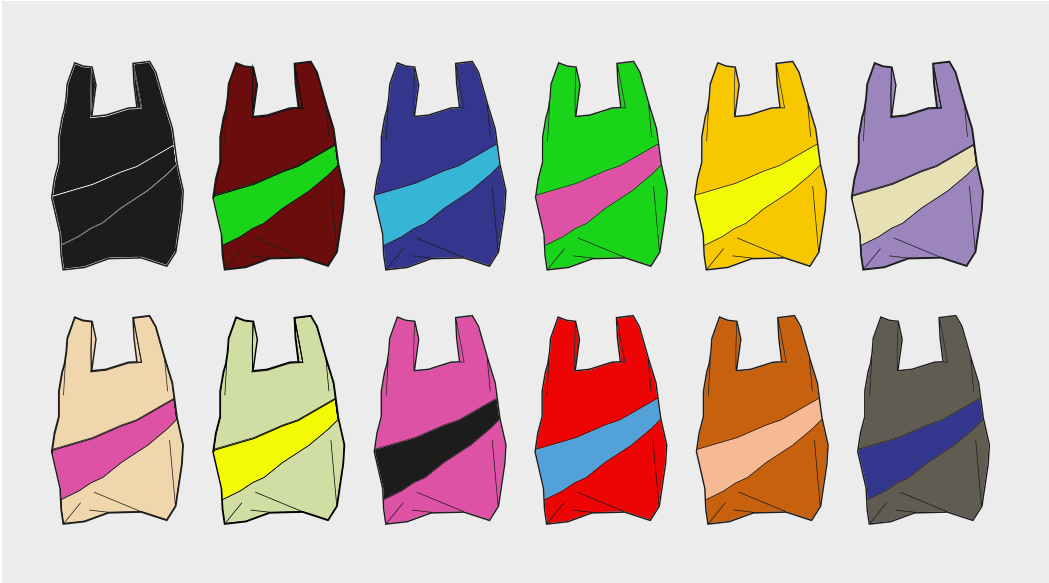

2020: 20 years of reducing waste in a colourful way. *Recollection* is not just a flashback on the bag with the flash, it's also a rejoice of plastic not produced, not used, not wasted, and not ending in nature. It's a remembrance of what SUSAN BIJL is: a sustainable alternative, a catalyst in the revolution.

## Recollection

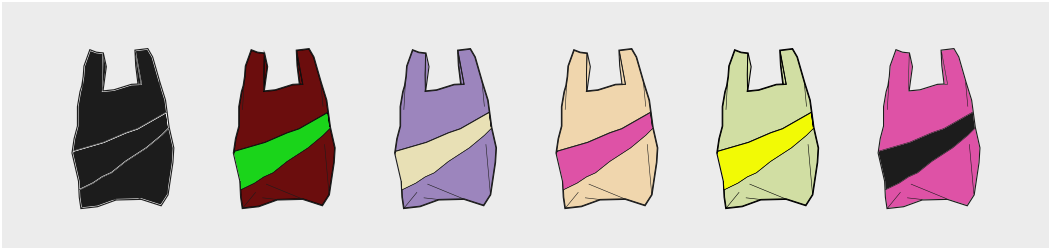

2020年という年は、私たちがカラフルな方法で無駄を減らしてきて20年という節目の年でもあります。‘Recollection’ という新コレクションは、私たちの象徴flashと呼ばれる斜めに入ったストライプのデザインをただ思い返すのではなく、プラスチックを作らない、使わない、無駄にしない、そして自然の元に捨てないという大切さをもう一度知るためのコレクションでもあります。ブランド：スーザン・ベルがサステナブルで新しい革命だということを思い返すためのコレクションなのです。
