# COMPANY PROFILE

Cafetto® is a specialist manufacturer of cleaning and sanitation products for coffee brewing and dispensing equipment. The Cafetto® range includes approved organic cleaners, descaling and cleaning tablets and milk line cleaners.

Our product range is tailored to suit many systems including bean-to-cup fully automatic espresso machines, traditional semi-automatic espresso machines, home and office espresso machines, pour-over filter coffee machines and liquid coffee extract machines.

## OUR PROMISE TO YOU

We stand by the quality of our products. All Cafetto® products have been stringently tested to bring you the best quality product possible. If you are not completely satisfied, please contact your local Cafetto® office or supplier.

# INDEPENDENTLY CERTIFIED

## BFA REGISTERED

All Cafetto® products marked with the BFA logo have been registered by the Biological Farmers of Australia and are approved for use in organic systems.

## OMRI™ LISTED

All Cafetto® products marked with the OMRI™ logo have been listed with the Organic Materials Review Institute as complying with the requirements of the National Organic Program.

## NSF®

NSF A3, A1 White Book Nonfood Compounds and International Protocol P152. NSF (National Sanitation Foundation) International Protocol P152 relates to espresso machine cleaners that have been evaluated, tested, and passed NSF's stringent toxicology and corrosivity standards. The ingredients and formulation of the products that are NSF certified are safe, leave no harmful residues and do not cause corrosion within the coffee machine.

# ORGANIC...

## WHY ORGANIC WHEN IT COMES TO CLEANING?

The Cafetto® Organic Range is certified for organic use, which means that if you're using organic coffee beans and milk, you're upholding an end-to-end organic experience for your customers.

The Cafetto® Organic Range is free from:

- Genetically Modified Organisms
- Corrosive chemicals
- Phosphates
- Chlorine and quaternary sanitisers

Our organic range of products contains ingredients that are either plant derived or found in food:

**Tartaric Acid** Sourced from plant material, in particular from grapes during the wine-making process, but also found in other fruit including apricots, apples and bananas. It is a natural souring agent in foods and is commonly used as a leavening agent in bread-making, which along with sodium bicarbonate, causes the bread to rise. It is used in Cafetto tablets to assist dissolution by effervescence, whilst also contributing to cleaning by removing hard water ions.

**Citric acid** Derived from citrus fruits, such as orange, lemon, lime and grapefruit, it is produced via biological fermentation. In nature, it is a crucial component of energy production in aerobic organisms, as well as being an acidifier in common foods. In ice-cream it is used as an emulsifier to keep the dairy fats suspended. It is used in Cafetto tablets to assist dissolution by effervescence, whilst also contributing to cleaning by removing hard water ions.

**Sodium Carbonate** This is made by the purification of 'trona', a naturally-occurring mineral from the Green River Basin in Wyoming. It can also be derived from kelp or seaweed. It is found in toothpaste and used in bakery products. It is a very effective cleaning agent.

**Sodium Citrate** Derived from maize sugar via fermentation, it is found in many soft drinks and is used in the production of some cheeses. It is used to optimise the pH during the cleaning process.

**Sodium Percarbonate** This is an oxygen releasing agent that is widely used in toothpaste and denture cleaning tablets as well as other cleaning preparations. It is a wonderful cleaning and bleaching agent.

**Potassium Carbonate** This is an alkaline agent made from naturally occurring potash rock sources and other minerals. It is often used in the production of wine and as a baking agent. It is one of the ingredients that provides our Organic Range with its exceptional cleaning performance.

## WORLD FIRST TRIPLE CERTIFIED PRODUCTS

Cafetto® EVO was the first espresso machine cleaner to be certified by an organic certification body. Our Organic Range has expanded to include certified milk frother cleaners, descalers, grinder cleaners and espresso machine cleaning tablets.

# WHAT IS A QR CODE?

Products listed in this guide are displayed with a unique QR code to provide customers with further product information. A QR Code is a two-dimensional barcode that is readable by smartphones. QR Codes can be used to display text to the user, to open a URL, save a contact to the address book or to compose text messages.

To read QR Codes with your smartphone, you need to download a QR Code Reader app onto your phone from either the Play Store or AppStore.

# HOW DO I SCAN A QR CODE?

To scan a QR Code, all you need to do is load the app, start scanning and point your camera at the QR code. Line it up inside the guide arrows and that's it: the QR Code Reader recognises it and provides the appropriate information, carries out the appropriate task or, in the case of phone numbers and other contact information, asks you what action to take.

# WHY IS DESCALING IMPORTANT?

Once scale has formed in the boiler and pipe network, it can only be removed by the use of special acidic descaling chemicals. Since espresso machine cleaners are alkaline, they will have no impact on scale removal.

There are a variety of descalers available in the market place. Many of these products are dangerous to use and can be very corrosive to some metals. Many domestic coffee machines use aluminium thermoblocks which are very susceptible to corrosive acids. Cafetto® descalers have been thoroughly researched and tested to provide excellent scale removal while being safe to use without corrosion.

'QR Code' is a registered trademark of DENSO WAVE INCORPORATED.

# TRADITIONAL ESPRESSO MACHINES

## ESPRESSO MACHINE CLEANERS

### EVO® ESPRESSO MACHINE CLEANER

Cafetto® Evo® is the first espresso machine cleaner to be certified by an organic certification body. It is the safe, high performance cleaner for professional espresso machines using organic coffee.

Only the smallest amount of Evo® is needed for a superior clean. Rapidly soluble and free-rinsing, leaving no trace of odour. A measuring scoop is included for accurate dosing.

#### RECOMMENDED FOR:

Traditional espresso machines

#### CERTIFICATIONS:

#### AVAILABLE IN:

- 125g jars  
(carton code E28144 - 12 jars)
- 500g jars  
(carton code E29160 - 12 jars)
- 1kg jars  
(carton code E29120 - 12 jars)

### TEVO® TABLETS

Cafetto® Tevo® is the first espresso machine cleaning tablet to be certified by an organic certification body. A convenient portion controlled dose, these tablets can be used to replace traditional espresso machine cleaners.

#### RECOMMENDED FOR:

- Tevo® Mini  
Domestic espresso machines
- Tevo® Maxi  
Traditional espresso machines

#### CERTIFICATIONS:

#### AVAILABLE IN:

- Mini 60 tablet jars  
(carton code E27839 - 12 jars)
- Maxi 150 tablet jars  
(carton code E27852 - 12 jars)

#### TABLET DIMENSIONS:

	Tevo® Mini	Tevo® Maxi
Tablet Weight:	1.5g	2.5g
Tablet Height:	4mm	5mm
Tablet Diameter:	16mm	20mm

## ESPRESSO CLEAN®

The premium espresso machine cleaner for professional espresso machines.

Cafetto® Espresso Clean® has been tested by NSF and certified to protocol P152. This guarantees that Cafetto® Espresso Clean® will not taint the coffee and is not corrosive to the espresso machine.

### RECOMMENDED FOR:      CERTIFICATIONS:

Traditional espresso machines

### AVAILABLE IN:

500g jars  
(carton code E25121 - 12 jars)

1kg jars  
(carton code E11839 - 12 jars)

## ESPRESSO CLEAN® TABLETS

The premium espresso machine cleaner for professional espresso machines.

Cafetto® Espresso Clean® Cleaning Tablets provides the same cleaning performance as Cafetto® Espresso Clean®, in a tablet for convenient measured dosing.

### RECOMMENDED FOR:      CERTIFICATIONS:

Cleaning the coffee brew groups of various commercial espresso machines

### AVAILABLE IN:

150 tablet jars  
(carton code E27893 - 12 jars)

### TABLET DIMENSIONS:

Tablet Weight: 2.5g  
Tablet Height: 5mm  
Tablet Diameter: 20mm

# AUTOMATIC ESPRESSO MACHINES

## SPECIALIST CLEANING TABLETS

Formulated to dissolve in automatic cleaning cycles, these high performance tablets contain only pharmaceutical and food grade ingredients and are highly effective while being non-corrosive.

### B30 TABLETS

B30 tablets safely and completely remove coffee oils and residues of selected super-automatic espresso machines.

#### RECOMMENDED FOR\*: TABLET DIMENSIONS:

Carimali | La Cimbali  
Rex Royal

Tablet Weight: 2.7g  
Tablet Height: 10mm  
Tablet Diameter: 14mm

#### AVAILABLE IN:

150 tablet jars  
(carton code E29018 - 4 jars)

### F20 TABLETS

F20 tablets safely and completely remove coffee oils and residues of selected super-automatic espresso machines.

#### RECOMMENDED FOR\*: CERTIFICATIONS:

Acorto | Concordia | Faema  
Franke | Gaggia | Swiss Egro

#### AVAILABLE IN:

100 tablet jars  
(carton code E29782 - 12 jars)

#### TABLET DIMENSIONS:

Tablet Weight: 2.0g  
Tablet Height: 5mm  
Tablet Diameter: 16mm

\*These are the registered trademarks of their respective owners and are not associated with Cafetto Pty Ltd or its subsidiaries.

## J25 TABLETS

J25 tablets safely and completely remove coffee oils and residues of selected super-automatic espresso machines.

### RECOMMENDED FOR\*: TABLET DIMENSIONS:

Jura | Krups

Tablet Weight: 2.5g

Tablet Height: 12mm

Tablet Diameter: 15mm

### AVAILABLE IN:

40 tablet jars

(carton code E29941 - 12 jars)

## M35 TABLETS

M35 tablets safely and completely remove coffee oils and residues of selected super-automatic espresso machines.

### RECOMMENDED FOR\*: TABLET DIMENSIONS:

Cafina/Melitta

Tablet Weight: 3.0g

Tablet Height: 17mm

Tablet Diameter: 10mm

### AVAILABLE IN:

150 tablet jars

(carton code E29840 - 12 jars)

\*These are the registered trademarks of their respective owners and are not associated with Cafetto Pty Ltd or its subsidiaries.

# AUTOMATIC ESPRESSO MACHINES

## SPECIALIST CLEANING TABLETS

### N10 TABLETS

N10 tablets safely and completely remove coffee oils and residues of selected super-automatic espresso machines.

#### RECOMMENDED FOR\*: TABLET DIMENSIONS:

Nuova Simonelli Microbar | WMF

Tablet Weight: 1.0g

Tablet Height: 8mm

Tablet Diameter: 10.5mm

#### AVAILABLE IN:

50 tablet jars

(carton code E29983 - 24 jars)

### S15 TABLETS

S15 tablets safely and completely remove coffee oils and residues of selected super-automatic espresso machines.

#### RECOMMENDED FOR\*: CERTIFICATIONS:

Breville | De Longhi | Miele  
Rancillio | Saeco | Schaerer | SCS  
Solis | Stentorfield | Sunbeam

#### AVAILABLE IN:

8 tablet blister packs

(carton code E25570 - 15 blister packs)

100 tablet jars

(carton code E29736 - 12 jars)

#### TABLET DIMENSIONS:

Tablet Weight: 1.5g

Tablet Height: 4mm

Tablet Diameter: 16mm

\*These are the registered trademarks of their respective owners and are not associated with Cafetto Pty Ltd or its subsidiaries.

## T32 TABLETS

T32 tablets are safe, high performance cleaning tablets. Completely removes coffee oils and residues from brew spouts.

### RECOMMENDED FOR:

Cleaning coffee brewing systems

### TABLET DIMENSIONS:

Tablet Weight: 3.0g

Tablet Height: 10mm

Tablet Diameter: 15mm

### AVAILABLE IN:

90 tablet jars

(carton code E28835 - 12 jars)

## T90 MILK SYSTEM CLEANING TABLETS

T90 tablets are safe, high performance milk cleaning tablets. Formulated to provide optimal cleaning performance. Descals and removes milk stone while sanitising the milk system.

### RECOMMENDED FOR:

Cleaning milk systems and milk lines

### TABLET DIMENSIONS:

Tablet Weight: 9.0g

Tablet Height: 10mm

Tablet Diameter: 28mm

### AVAILABLE IN:

62 tablet jars

(carton code E28850 - 12 jars)

# ACIDIC MILK CLEANERS

## MILK FROTHERS, LINES & JUGS

When using acidic cleaners, the milk lines must be flushed and purged of milk prior to the cleaning process. If this cannot be done, only use MFC® Blue.

Independent laboratory testing confirms all Cafetto® Milk Frother Cleaners, Milk Line Cleaner and Pulatte kill 99.999% of E-Coli, Salmonella, Listeria and Enterococcus when used in accordance with instructions.

### MFC® GREEN

An organic liquid cleaner designed to remove milk residues from milk lines, frothers and parts on automatic espresso machines.

#### AVAILABLE IN:

1L bottles with dispensing chamber  
(carton code E27885 - 6 bottles)

#### CERTIFICATIONS:

### MFC® RED

A heavy duty cleaner that will also provide excellent hard water scale control and removal from milk lines, frothers and parts on automatic espresso machines.

#### AVAILABLE IN:

1L bottles with dispensing chamber  
(carton code E14220 - 6 bottles)

#### CERTIFICATIONS:

# ALKALINE MILK CLEANERS

MILK FROTHERS, LINES & JUGS

## MFC® BLUE

Cafetto® MFC® BLUE is a high performance cleaner designed to be used daily to remove milk residues and hard water scale from milk lines, frothers and parts on automatic espresso machines.

### AVAILABLE IN:

1L bottles with dispensing chamber  
(carton code E14005 - 6 bottles)

### CERTIFICATIONS:

## MLC (MILK LINE CLEANER)

Designed to remove milk residues and hard water scale from milk lines, frothers and parts on automatic espresso machines.

### AVAILABLE IN:

1L bottles  
(carton code E18048 - 6 bottles)

## PULATTE

A powdered formulation designed to clean and control milk stone in automatic coffee machine milk lines and automatic frothers.

### AVAILABLE IN:

450g jars  
(carton code E27380 - 12 jars)

# MILK CLEANERS

MILK FROTHERS, LINES & JUGS

## AMC SACHETS

An acidic powder designed to clean and descale milk lines, frothers and parts of automatic espresso machines.

### AVAILABLE IN:

45g sachets  
(carton code E14039 - 30 sachets)

## INVERSO

A unique blend of ingredients that targets and removes dried on milk residues from pitchers, jugs and steam wands. Also a brilliant crockery restorer, cleaning and destaining heavy soiling.

### AVAILABLE IN:

750g jars  
(carton code E29916 - 12 jars)

# SPECIALTY CLEANERS

## SPECIALIST CLEANING PRODUCTS

### ECO CAPSULE CLEAN

Eco Capsule Clean is a biodegradable Nespresso®-compatible capsule containing Cafetto's cleaning powder EVO® – the world's first espresso machine cleaning powder that is certified by an organic certification company.

Eco Capsule Clean is free from phosphates and GMO ingredients. 100% biodegradable capsule and recyclable foil.

A simple-to-use cleaning capsule that thoroughly cleans the brewing chamber and delivery spout in Nespresso®† capsule coffee machines.

#### RECOMMENDED FOR\*:

Nespresso

#### AVAILABLE IN:

6 x cleaning capsules per box  
(carton code E13235 - 20 boxes)

### TEA CLEANER

Designed to clean tannin and stains from tea makers. Can also be used in tea pots, mugs and cups.

#### RECOMMENDED FOR:

Cleaning tea makers and crockery

#### CERTIFICATIONS:

#### AVAILABLE IN:

4 x 10g sachets per box  
(carton code E27220 - 12 boxes)

\*These are the registered trademarks of their respective owners and are not associated with Cafetto Pty Ltd or its subsidiaries.

# COLD RANGE

FOR CLEANING COLD BREW, ICE AND GRANITA MACHINES

## POLAR CLEAN

Formulated and designed to meet the specific needs of cold brew coffee systems. Cleans in just one hour, or can be left over night, rinsing freely leaving no residue.

Independent laboratory testing confirms Cafetto® Polar Clean kills 99.999% of common food borne bacteria when used according to the in-use instructions.

### RECOMMENDED FOR\*:

Brewista Cold Pro | Nitro

### AVAILABLE IN:

500g jars  
(carton code E13685 - 12 jars)

## SUB ZERO

A high performance liquid that is specifically formulated to remove scale build up from an ice machine's internal components.

Odourless and safe to use on aluminium, brass and stainless steel. In solution, the ingredients are readily biodegradable and will break down quickly.

### RECOMMENDED FOR:

Descaling all commercial ice machines

### AVAILABLE IN:

1L bottles with dispensing chamber  
(carton code E14042 - 6 bottles)

\*These are the registered trademarks of their respective owners and are not associated with Cafetto Pty Ltd or its subsidiaries.

## CHILL

A powder that has been specifically formulated to clean, sanitise and remove water scale from soft serve and gelato machines.

Contains high levels of sequestrants to soften the water and control scale. Chlorine sanitises and assists with cleaning. One sachet makes up 6 litres (200 fl. oz) of solution containing 100ppm available chlorine.

Non corrosive to soft serve machines and micro tested against a range of bacteria, including Listeria and Salmonella.

### RECOMMENDED FOR:

Cleaning, sanitising and removing hard water scale from soft serve and gelato machines and nitro cold coffee dispensing systems

### AVAILABLE IN:

45g sachets  
(carton code E13238 - 50 sachets)

# DESCALERS

## FOR REMOVING HARD WATER SCALE ➤

### ORGANIC DESCALER

Perfectly suited to domestic or small office machines. Organic Descaler is a safe and effective solution for removing hard water scale from thermoblock espresso machine lines, capsule machines and boilers. Can also be used to descale kettles.

#### RECOMMENDED FOR:

Descaling domestic or small office coffee machines and kettles

#### CERTIFICATIONS:

#### AVAILABLE IN:

250ml bottles  
(carton code E27434 - 12 bottles)

### LOD GREEN

A safe and effective liquid descaler for removing hard water scale from espresso machine boilers, coffee and milk delivery lines.

#### RECOMMENDED FOR:

Removing hard water scale from espresso machine boilers, coffee and milk delivery lines

#### CERTIFICATIONS:

#### AVAILABLE IN:

1L bottles with dispensing chamber  
(carton code E25482 - 6 bottles)

5L bottles  
(carton code E26200 - 2 bottles)

## LOD RED

A highly concentrated liquid descaler which rapidly and easily removes lime scale and calcium build up.

Tough on scale and specifically formulated to include compounds that ensure it is safe to use on aluminium, brass and stainless steel.

### RECOMMENDED FOR:

Removing hard water scale from metal surfaces in contact with hot water such as espresso machine water tanks, coffee brewing and other hot water equipment

### AVAILABLE IN:

1L bottles with dispensing chamber  
(carton code E12312 - 6 bottles)

5L bottles  
(carton code E13673 - 2 bottles)

## RESTORE

A safe and effective powder descaler for removing hard water scale from espresso machine boilers, coffee and milk delivery lines. Can also be used to descale bottles.

### RECOMMENDED FOR:

Removing hard water scale from espresso machine boilers, coffee and milk delivery lines

### CERTIFICATIONS:

### AVAILABLE IN:

4 x 25g sachets per box  
(carton code E28303 - 12 boxes)

1kg jars  
(carton code E27889 - 4 jars)

# EQUIPMENT CLEANERS

## SPECIALIST CLEANING PRODUCTS

### BREW CLEAN TABLETS

Brew Clean Tablets are designed to clean filter coffee brew baskets, servers, air pots and coffee pots.

#### RECOMMENDED FOR\*: TABLET DIMENSIONS:

American Metal Ware   Animo	Tablet Weight:	2.5g
Bravilor   Bunn   Cecilware	Tablet Height:	5mm
Coffee Queen   Fetco   Grindmaster	Tablet Diameter:	20mm

#### AVAILABLE IN:

100 tablet jars  
(carton code E27140 - 12 jars)

### GRINDER CLEAN

Completely food safe, 100% natural and gluten free, Grinder Clean cleans grinder burrs and casings as well as removing flavoured coffee odours.

#### RECOMMENDED FOR: CERTIFICATIONS:

Cleaning grinder burrs and casings

#### AVAILABLE IN:

450g jars  
(carton code E29760 - 12 jars)

### SPRAY & WIPE

Effective on all washable hard surfaces, Cafetto® Spray and Wipe leaves a sparkling finish while removing grime effortlessly. The odourless sanitising formula cleans and removes 99.999% of food-borne, or food spoilage organisms from surfaces.

#### AVAILABLE IN:

500ml bottles  
(carton code E28832 - 12 bottles)

# CLEANING ACCESSORIES

## BRUSHES, CLOTHS, MAINTENANCE

### HEAD CLEANING BRUSH

Designed to remove coffee grounds from the group head, shower screen spout and group seal.

#### AVAILABLE IN:

Black  
(carton code E28732 - 50 brushes)

### STEAM TIP BRUSH SET

Five fine brushes for cleaning the tip of the steam wand.

#### AVAILABLE IN:

Wire Ring Set: 1.0mm, 1.3mm, 2.0mm, 3.0mm, 5.8mm diameter  
(carton code E29843 - 10 sets)

### SWIVEL HEAD CLEANING BRUSH

The Swivel Action Head Coffee Machine Cleaning Brush is ergonomically designed to assist in cleaning the group head. With its unique swivel action head, this brush gets into every nook and cranny.

#### AVAILABLE IN:

Black with Green Brush Head  
(carton code E24134 - 25 brushes)

Replacement Brush Heads: 2 Pack  
(carton code E24203 - 50 sets)

### MILK FROTHER BRUSH SET

A brush set to clean a broad range of milk frothers. It includes 4 different size brushes and a steam tip cleaning wand.

#### AVAILABLE IN:

Wire Ring Set  
(carton code E29048 - 20 sets)

# CLEANING ACCESSORIES

## BRUSHES, CLOTHS, MAINTENANCE

### CAFETTO® CLEANING CLOTHS

Premium and versatile cleaning cloths that help keep your machine and work area clean as a whistle.

#### AVAILABLE IN:

**Green Cleaning Cloth 30x30cm**  
(carton code E23976 - 50 cloths)

**Blue Steam Wand Cloth 20x20cm**  
(carton code E23969 - 50 cloths)

### CAFETTO® BARISTA CLIP CLOTH

Never lose your cloth again! Perfect for the busy barista, this cloth is rectangular shaped and has a nifty clip to secure the cloth to your belt loop for easy access. Premium microfiber.

#### AVAILABLE IN:
