

ZEBRA – 400

fast

The Zebra collection includes a chair with or without armrests, a lounge chair, a set of tables and a side table with three adjustable heights. Designed with both home and contract use in mind, the Zebra chairs can be accented with back and seat cushions made from fabric designed for outdoor use and that is resistant to water, stains, UV rays and abrasion. Thanks to durable die-cast aluminium, the Zebra collection is a timeless approach to year-round outdoor living.
