H100% HARDCORE

THIS IS A SHOUT OUT TO MY HARDCORE PEOPLE.
WHETHER YOU HAVE BEEN HERE FROM THE BEGINNING OR YOUR BRAND NEW TO THE
SCENE,

OR SOMEWHERE IN BETWEEN.
WE ARE ONE HARDCORE FAMILY.
TIMES ARE DEFINITELY TOUGH.
A LOT GOING ON IN THIS WORLD.
A LOT GOING ON IN OUR LIVES.

AND THAT'S WHY WE COME HERE TO UNITE.
OUR MUSIC BONDS US. IT IS OUR COMMON ALLY THAT HELPS US RELEASE ANY TENSION
WE MIGHT HAVE.

EACH DAY IS A TEST,
BUT WE HAVE TO MAKE THE BEST.
WE'RE ALL GOING TO GET KNOCKED DOWN, AND YOU KNOW WHAT WE'RE GOING TO DO?

WE ARE GOING TO GET RIGHT BACK UP.
NOTHING WILL KEEP US DOWN.

WE WILL TOGETHER STAND STRONG SIDE BY SIDE.
WE ALL HAVE THE POWER WITHIN OURSELVES.
NEVER LET YOURSELF FALL TO THE LEVEL OF A HATER.
LET THEIR JEALOUSY BURN AS YOUR FIRE RISES TOWARDS SUCCESS AND HAPPINESS.
ALL THE ENERGY THEY LOSE ON HATING, WE WILL ABSORB AND USE ON CREATING.

WHAT OTHERS CONSIDER A SETBACK,
WE SEE AS A STEP FORWARD TO SUCCESS.
IT IS ALL JUST PART OF OUR JOURNEY.

IT'S RIGHT IN FRONT OF YOU.
FOCUS, IT IS IN YOUR REACH.
BLOCK OUT ALL DISTRACTION. YOU WILL ACHIEVE. YOU GOT THIS. DON'T LET ANYONE TRY
TO MAKE YOU SOMETHING YOU'RE NOT. BE PROUD OF WHO YOU ARE.
RAISE THAT FIST HIGH IN THE AIR AND SHOUT.
I AM ME!!!

Some months ago you had your 1st album release on the party Noisekick's Terror-drang. How was the idea born of calling the album Maskhead? And how was the experience of the release on the party?

Groan-er is the Maskhead person. I wanted to name my first album straight. In the same moment The Maskhead is the main track on album what makes everything logical. Btw. ask Groan-er about details, you speak with Marcin right now ;-)
Album release party was special of course. I could use more nice words like "amazing", "fantastic" etc. but it's not the point. The point is, I felt that some people are really listen to my music and that was the most important experience.

You are the 1st terror artist who made a real videoclip. Can you tell something about this?

One day I found an abandoned chapel in the middle of the forest in Poland and I knew that when I will be ready and I will use this place to make a movie. Inside the chapel was very dark, I felt anxiety and flies were flying around me (typical horror atmosphere) I knew that this is the perfect place for that

project - Right person in the right place. I returned there after two years with my trusted people and that's how The Maskhead was created. Thank you Miriam for being my partner in crime and the best victim ever. Patryk for whole cooperation and of course Anastasia Black for producing a film.

This year you did play on some festivals (Harmony of Hardcore, Decibel, Ground Zero). Do you like to play on big festivals?

Big festivals mean big development for the terrorcore scene. It is a huge privilege to get a chance to present ourselves on such a large scale - finally! Respect to Noisekick, Drokz and other Terrorheads who are believes in us, a little younger producers.

You come from Poland. How is the Terror scene in Poland? Can you tell something about this?

The terror scene in Poland is very rare and underground. We have about 150 people at parties. Same truly dedicated like Terrorheads in Holland. I know personally and respect every of these people who coming for harder styles. It is worth noting that the gabber/ hardcore scene is in great shape - we have around 500-1000 + people in clubs. Currently, Poland going through a hardcore renaissance which is very rewarding and gives perspective for building a terror scene in future.

Some years ago you joined Terrordrang Booking Agency. How is it to be a part this?

Without Terrordrang Booking Agency, I would not make progress for sure. Now I can go further and deeper. In my feeling my work finally made sense. This is a cardinal point - to have a place where we can grow. I think that together with the whole agency we create a great story and this is just the beginning :-)

You already produce and play for a while. You already did a lot and you are still doing a lot. What is still on your bucket list to do as Groan-er?

At the moment a new album is being created along with the next movie: Groan-er - The Pervert ;-)
I can also tell that the new terror project is coming. That's all I can tell now...

So, we know you as a Dj and a producer. Can you also tell us something about yourself next to your Dj life?

I'm full-time Terrorist, whole my life is terror. Pain, blood, death... Have no time for private bullshit ;-)
Of course just kidding but I would rather keep my privacy.

We know that there will come something new, and you know what we are talking about. Tell us something about this....

This is how it is when two producers understand each other very well and they feel they can build a monster. I don't know if I can say something more but together with Nekrosystem we will give a birth to the new project soon.

STAY TUNED...!!!!
