OUTDOOR GEAR PROTECTOR

The Outdoor Gear Protector makes your gear perfectly water and dirt repellent. It's ideal for motorcycle gear, backpacks, shoes, outdoor jackets, sailing suits, ski pants, etc. Your gear will be waterproof, but still breathable. Dries colourless and doesn't need to be diluted. Especially suitable for: Gore-Tex®, Sympatex®, Softshell, Nylon and Polyester. Very easy to use.

Size	500 ml	1 litre	2,5 litres

Instructions for Outdoor Gear Protector:

1. Make sure the fabric is clean and dry before treatment.
2. Apply the Outdoor Gear Protector evenly. Use a sprayer or brush.
3. Allow to dry thoroughly after treatment (24 hours).
4. If necessary, repeat the treatment.

Usage:

Usage depends on the fabric type: 1 litre: between 6 m² and 25 m².

Safe:

Outdoor Gear Protector is a water-based product. It is safe for almost all fabric types. Read the instructions on the packaging before use.

Reviews

"The fabric is completely clean and waterproof again. Great explanation. Also about further maintenance. Ultramar is Top! Raymond"
