FORE SEE

Available as	Wall rug
Design	Mae Engelgeer
Size	Small, medium and large
Technique	Handwoven and hand knotted
Height	8-12mm
Colors	5 Standard
Color design	Mae Engelgeer
Delivery time	8 Weeks
Material	New Zealand Wool, Bamboo and Linen
Finishing	Tunnel on top, including suspension
Advantages	+ European production + Improves acoustics + Functional and pretty to watch

In collaboration with Frankly Amsterdam, Mae Engelgeer created Fore See, the first wall rug in our collection. After many experiments and pushing the existing boundaries Fore See resulted in a modern handwoven rug with hand knotted details, creating repeated waves of movement.

The graphic pattern evolves into a sophisticated composition of textures by combining New Zealand wool, linen and bamboo. Yes, this rug draws everyone's attention.

She comes in 3 sizes, from small and subtle to big and luscious. Available in 5 standard colors. So pick your choice!

CARE INSTRUCTIONS

- We advise you to **vacuum** the rug once or twice a week with a normal (upright or cylinder) vacuum cleaner but without the brush or beater bar engaged. Rugs with a high pile need to be vacuumed even more often.
- Do not use a vacuumer with a rotating brush, this will damage the yarn.
- Rugs made from natural materials are subject to some **pilling** during the first few months. This is a common characteristic of natural cut fibers and will disappear after 3 or 4 months of normal use.
- A dry environment can result in extra pilling of the yarn. A **humidity** between 50-70% will benefit the lifecycle of your rug.
- In order to avoid '**regular use marks**', we advise you to turn the rug every once in a while.
- **Wet stains** need to be removed immediately, before the yarn absorbs the fluid. Absorb the stain using a strong absorbing paper (like kitchen paper). Do not, in any case, rub or put pressure on the rug when wet. This can damage the fibers and the structure of the rug.
- **Light stains** can safely be treated with JAMES cleaning agents, which have been successfully tested on our products. Please follow the instructions of the JAMES staindisc, also shown on our site. We can not guarantee safe use of cleaning agents by any other brand, since they have not been tested.

- Please do not use highly acidic cleaning agents to remove stains from your rug. This will cause discoloration of the yarn.
- In case of **heavy staining** or transferred dirt, we advise you to always have your rug drycleaned by a specialist in rug cleaning. Please state clearly that this rug needs to be cleaned without using water.
- When in **doubt**, please don't hesitate to contact us, or take a look on our website, www.frankly.amsterdam/careinstructions, for more information.

WARRANTY

- Frankly Amsterdam **guarantees** its rugs for 2 years of normal use.
- All our products are made with care. In case a **manufacturing defect** escaped our attention, please inform us within 14 days after delivery and leave the product unused.
- Small differences or **irregularities** in color, weft or size may occur. This is inherent to the use of natural fibers and has to be accepted when within normal commercial tolerances.
- Frankly Amsterdam will not accept any complaint if shading is concerned.
