| Advantages | + suitable for residential as well as soft contract + any size and shape possible + environmentally friendly & sustainable + extremely breathable + long-lasting & fire retardent |

High, higher, highest. With a pile height of 40 mm, it is no coincidence that this rug is called Show Off. The combination of New Zealand wool and bamboo yarns gives a luscious look that deserves everyone's attention. Being tufted by hand, this rug is made to measure any shape and size you desire. Show Off comes in 9 colors varying from cool to warm tones.

On top of that bamboo is biodegradable and easily renewable. It doesn't need much to grow, yet it is one of the fastest growing plants on the planet, meaning it can be harvested without risking deforestation. Production of bamboo yarn is a 100% closed-loop cycle, so Show Off is pretty environmental friendly and a treat for the eyes.

CARE INSTRUCTIONS

- We advise you to **vacuum** the rug once or twice a week with a normal (upright or cylinder) vacuum cleaner but without the brush or beater bar engaged. Rugs with a high pile need to be vacuumed even more often.
- Do not use a vacuum cleaner with a rotating brush, this will damage the yarn.
- Rugs made from natural materials are subject to some **pilling** during the first few months. This is a common characteristic of natural cut fibers and will disappear after 3 or 4 months of normal use.
- A dry environment can result in extra pilling of the yarn. A **humidity** between 50-70% will benefit the lifecycle of your rug.
- In order to avoid '**regular use marks**', we advise you to turn the rug every once in a while.
- In case of stains or transferred dirt, we advise you to always have your rug cleaned by a specialist in rug cleaning. The rug needs to be cleaned without water.
- **Wet stains** need to be removed immediately, before the yarn absorbs the fluid. Absorb the stain using a strong absorbing paper (like kitchen paper). Do not, in any case, rub or put pressure on the rug when wet. This can damage the fibers and the structure of the rug.

WARRANTY

- Frankly Amsterdam **guarantees** its rugs for 2 years of normal use.
- All our products are made with care. In case a **manufacturing defect** escaped our attention, please inform us within 14 days after delivery and leave the product unused.
- Small differences or **irregularities** in color, weft or size may occur. This is inherent to the use of natural fibers and has to be accepted when within normal commercial tolerances.
- Frankly Amsterdam will not accept any complaint if **shading** is concerned.
