STORAGE/SHOE BENCH SAFETY

Your safety and the safety of others are very important.

We have provided many important safety messages in this manual and on your appliance. Always read and obey all safety messages.

This is the safety alert symbol.

This symbol alerts you to potential hazards that can kill or hurt you and others.

All safety messages will follow the safety alert symbol and either the word "DANGER" or "WARNING."

These words mean:

 **DANGER**

You can be killed or seriously injured if you don't immediately follow instructions.

 **WARNING**

You can be killed or seriously injured if you don't follow instructions.

All safety messages will tell you what the potential hazard is, tell you how to reduce the chance of injury, and tell you what can happen if the instructions are not followed.

STORAGE/SHOE BENCH PARTS

F1
#10-24 x 1/4" long Phillips-head Screw

F2
#10-24 Wing Nut

F3
#8 x 1/2" long Phillips-head screw

Label	Nomenclature	Qty.
P1	Left Side Panel	1
P2	Hardwood Top	1
P3	Right Side Panel	1
P4	Bottom Panel	1
P5	Back Panel	1
P6	Leveler Feet	4
P7	24" Shelf (Optional)	2
P8	Left Hand Door (Optional)	1
P9	Right Hand Door (Optional)	1
F1	#10-24 x 1/4" long Phillips-head Screw	6
F2	#10-24 Wing Nut	4
F3	#8 x 1/2" long Phillips-head Screw	4

ASSEMBLY INSTRUCTIONS

Storage/Shoe Bench Use Requirements

- Intended for use in a garage.
- Maximum weight limit is 35 lbs (15.9 kg) for each shelf.
- Maximum weight limit is 500 lbs (227 kg) for the hardwood storage/shoe bench.

Storage/Shoe Bench Parts

1. Remove and verify the contents. Contents include the parts and fasteners shown in "Parts."
2. Dispose of/recycle all packaging materials.

Tools and Parts

Gather the required tools before starting installation.

Tools Needed:

- 1/2" wrench
- Phillips-head screwdriver
- Level

⚠ WARNING

Excessive Weight Hazard

Use two or more people to move, assemble or install cabinet.

Failure to do so can result in back or other injury.

IMPORTANT:

- Two people may be required to complete the assembly.
 - The hardwood top (P2) is intentionally designed so that the heads of the lag bolts which were pre-assembled on the hardwood top (P2) will match with the key holes on the side panel (P3 and P1) only when it is positioned correctly. If the bolt heads on the hardwood top (P2) do not match with the key holes on the side panel (P3 and P1), turn the hardwood top (P2) around.
1. Place the hardwood top (P2) on floor (upside down, with the protruding lag bolt heads pointing upward).
 2. Assemble the left side panel (P1). Place the panel perpendicular to workbench top, making sure to align the key holes in the panel with the pre-assembled lag bolts in the top.
 3. Use a wrench to tighten the two lag bolts [which were pre-assembled onto the hardwood top (P2)]. Fully tighten the bolts.

4. Repeat above steps 2 and 3 for the other cabinet side.

Attach Back Panels

F1
#10-24 x 1/4"
long Phillips-head Screw (2)

F3
#8 x 1/2"
long Phillips-head screw (4)

1. Slide in the back panel (P5) so that the tabs in the back panel are aligned with the slots of the side panels. There are two tabs on each side of the panel (See detail to illustration below).
2. Push in and ensure the four tabs are fully engaged in the slots.
3. Attach the four #8 x 1/2" long Phillips-head screws (F3) to the hardwood top (P2).
4. Attach the two #10-24 x 1/4" long Phillips-head screws (F1) between the side panels (P3 and P1) and back panel (P5). Do not fully tighten the screws. This will be done later.

F1 #10-24 x 1/4" long Phillips-head screw (2)
F3 #8 x 1/2" long Phillips-head screw (4)

Attach the Bottom Panel

F1
#10-24 x 1/4"
long Phillips-head Screw (4)

F2
#10-24 wing nut (4)

1. Place the bottom panel (upside down so the mating edges are pointing up), and make sure that the four tabs and slots are fully engaged.
2. Attach the #10-24 x 1/4" long Phillips-head screws (F1) between the back panel (P5) and the bottom panel (P4). Do not fully tighten the Phillips-head screws.

3. Install and tighten the four #10-24 wing nuts (F2) (hand tight) onto the protruding screw threads (included on the bottom panel) at each of the four corners.
4. Install the leveler feet (P6) to the bottom panel (P4).
5. Tighten all #10-24 x 1/4" long Phillips-head screws (F1) and all remaining loose screws from the previous steps.

Assemble Shelves (Optional)

⚠ WARNING

Excessive Weight Hazard

Use two or more people to move, assemble or install cabinet.

Failure to do so can result in back or other injury.

Use two or more people to turn the storage/shoe bench over to an upright position. Install the shelf (P7) at the desired location. Insert both tabs fully into the slots at an angle, and then straighten shelf to fully engage the slots in the tabs.

Install Doors (Optional)

1. Assemble the right-hand door (P9) first, as you face the front of the storage/shoe bench.
2. Engage the door top with the rail by placing the two top pins into the guides, and then push the pins in (collapse) against the rail.
3. Swing the door bottom down and push in to make the rollers engage into the bottom rail. Slide the door back and forth several times to ensure the door is engaged completely.

4. Repeat steps 2 and 3 to assemble the left hand door (P8).

Registering Your Product

There are many benefits to registering your product. Find out more and register your product online at

www.gladiatorgarageworks.com.

Consumers in Canada can call **1-800-807-6777**.

GLADIATOR® STORAGE/SHOE BENCH WARRANTY

ATTACH YOUR RECEIPT HERE. PROOF OF PURCHASE IS REQUIRED TO OBTAIN WARRANTY SERVICE.

Please have the following information available when you call the Customer eXperience Center:

- Name, address and telephone number
- Model number and serial number
- A clear, detailed description of the problem
- Proof of purchase including dealer or retailer name and address

IF YOU NEED SERVICE:

1. Before contacting us to arrange service, please determine whether your product requires repair. Some questions can be addressed without service. Please take a few minutes to review the instructions or visit www.gladiatorgarageworks.com.
2. All warranty service is provided exclusively by our authorized Gladiator Service Providers. In the U.S. and Canada, direct all requests for warranty service to:

Gladiator Customer eXperience Center

In the U.S.A., call 1-866-342-4089. In Canada, call 1-800-807-6777.

If outside the 50 United States or Canada, contact your authorized Gladiator dealer to determine whether another warranty applies.

ONE YEAR LIMITED WARRANTY

WHAT IS COVERED

ONE YEAR LIMITED WARRANTY ON WOODEN TOP

For one year from the date of purchase, when this product is operated and maintained according to the instructions attached to or furnished with the product, Gladiator will replace or repair the defective product or parts to correct defects in materials or workmanship.

LIFETIME LIMITED WARRANTY ON METAL SECTIONS

For the life of the product, when the storage/shoe bench is used and maintained according to the instructions attached to or furnished with the product, Gladiator will pay for repair or replacement of the defective product or parts to correct defects in materials or workmanship.

WHAT IS NOT COVERED

1. Service calls to correct the installation of any Gladiator products or to instruct you on how to use or install them.
2. Damage resulting from improper handling or shipping of products, or products damaged by accident, misuse, abuse, fire, flood, improper installation, acts of God, neglect, corrosion, modification or mishandling.
3. Shipping or freight fees to deliver replacement products or to return defective products.
4. Repairs or replacement when your product is used in other than normal, single-family household use, such as a commercial environment or handled in any way inconsistent with the installation instructions included with the product.
5. Cosmetic damage including scratches, dings, dents or cracks that do not affect the structural or functional capability of the product.
6. Replacement parts or product for Gladiator products operated outside the United States and Canada.
7. In Canada, travel or transportation expenses for customers who reside in remote areas.
8. Any labor costs during the limited warranty period.
9. Damage resulting from improper loading beyond the specified maximum weight capacity outlined in the assembly instructions provided with the product.
10. Surfaces damaged due to chemical interaction resulting in corrosion of paint or metal.
11. Any damage, splitting, checking, cracking or warping of the wooden top past the first year.

The cost of repair or replacement under these excluded circumstances shall be borne by the customer.

DISCLAIMER OF IMPLIED WARRANTIES; LIMITATION OF REMEDIES

IMPLIED WARRANTIES, INCLUDING TO THE EXTENT APPLICABLE WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE EXCLUDED TO THE EXTENT LEGALLY PERMISSIBLE. ANY IMPLIED WARRANTIES THAT MAY BE IMPOSED BY LAW ARE LIMITED TO ONE YEAR, OR THE SHORTEST PERIOD ALLOWED BY LAW. SOME STATES AND PROVINCES DO NOT ALLOW LIMITATIONS OR EXCLUSIONS ON HOW LONG AN IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS LASTS, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE OR PROVINCE TO PROVINCE.

Outside the 50 United States and Canada, this warranty does not apply. Contact your authorized Gladiator dealer to determine if another warranty applies.

If you need service, call the Gladiator Customer eXperience Center, **1-866-342-4089** (toll-free), from anywhere in the U.S.A. In Canada, contact your Whirlpool Canada LP designated service company or call **1-800-807-6777**.

In the United States, Gladiator means Whirlpool Corporation, Benton Harbor, Michigan 49022. In Canada, Gladiator means Whirlpool Canada LP, Mississauga, ON L5N 3A7.

Keep this book and your sales slip together for future reference. You must provide proof of purchase or installation date for in-warranty service.

Write down the following information about your storage/shoe bench to better help you obtain assistance or service if you ever need it. You will need to know your complete model number and serial number. You can find this information on the model and serial label located on the back of the product.
