General

1. These conditions apply to every offer, quotation and agreement between Westland Verpakkingen, hereinafter referred to as: "W.V.", and a Customer to whom W.V. has declared these conditions applicable, insofar as the parties have not expressly and in writing deviated from these conditions.
2. These terms and conditions also apply to agreements with W.V., for the execution of which W.V. third parties must be involved.
3. The applicability of any purchasing or other conditions of the Customer is expressly rejected.
4. If one or more provisions in these general terms and conditions are wholly or partially null and void or annulled at any time, the other provisions in these general terms and conditions will remain fully applicable. W.V. and the Customer will then enter into consultation in order to agree on new provisions to replace the void or annulled provisions, whereby the purpose and scope of the original provisions are taken into account as much as possible.
5. If there is uncertainty regarding the interpretation of one or more provisions of these general terms and conditions, the interpretation must be made 'in the spirit' of these provisions.
6. If a situation arises between the parties that is not regulated in these general terms and conditions, this situation must be assessed in accordance with the spirit of these general terms and conditions.
7. If W.V. does not always require strict compliance with these conditions, this does not mean that their provisions do not apply, or that W.V. would to any extent lose the right to demand strict compliance with the provisions of these conditions in other cases.
8. When reference is made to "in writing", this also includes sending messages by fax and e-mail. Even if it has not been signed due to (automatic) transmission.
