BRITAINS HISTORY

As Europe's oldest specialist in agricultural toys and collectibles, Britains remains at the forefront of innovation in perfectly replicated diecast miniatures whilst remaining true to its over 100 year heritage. The collection is constantly refreshed and updated to offer a range of models for enthusiasts, as well as farm toy roleplay for children aged 3+.

FR: La plus ancienne entreprise européenne spécialiste des jouets et des objets de collection agricoles, Britains reste à la pointe de l'innovation en fournissant des objets miniatures moulés sous pression parfaitement reproduits et en restant fidèle à son héritage qui lui offre plus de 100 années d'expérience. La collection est constamment actualisée et réinventée afin de proposer une gamme de modèles destinés à nos plus grands adeptes ainsi que des jouets agricoles adaptés aux jeux de rôle pour les enfants de plus de trois ans.

DE: Britains, ältester Hersteller für landwirtschaftliche Spielzeug- und Sammlermodelle in Europa, bleibt weiterhin führend in der Produktinnovation von detailgetreuen Miniaturmodellen. Dabei bleibt die Marke ihrer über 100 Jahre alten Tradition treu. Das Sortiment wird ständig erneuert und aktualisiert, um eine breite Modellpalette für Sammler, sowie Artikel für Kinder ab 3 Jahren zum Thema Bauernhof anbieten zu können.

NL: Als Europa's oudste specialist in boerderijspeelgoed en collectibles, is Britains nog steeds een innovatieve voorloper in volmaakt gegoten miniatuurreplica's, en blijft daarmee trouw aan ruim 100 jaar geschiedenis. De collectie wordt voortdurend vernieuwd en geactualiseerd om een breed assortiment modellen voor echte fans te bieden, naast hun fijne boerderijspeelgoed voor kinderen vanaf 3 jaar.

IT: In qualità di specialista di lunga data nella fornitura di giocattoli e modellini da collezione agricoli, Britains resta in prima linea sul fronte innovativo con perfette miniature in pressofusione pur rimandando fedele al suo patrimonio di oltre 100 anni. La collezione è in costante rinnovo e aggiornamento al fine di offrire una gamma di modellini per collezionisti e giocattoli agricoli per bambini con età superiore ai 3 anni.

ES: Como especialista europeo más veterano en el diseño de juguetes agrícolas y coleccionables, Britains sigue estando al frente de la innovación en miniaturas fundidas que son fieles réplicas de los originales, sin darle la espalda a su legado de 100 años. La colección aumenta y se moderniza constantemente para ofrecer más modelos a los coleccionistas y juguetes que acercan a niños de más de 3 años al mundo agrícola de las granjas.
