

# GENUINE BODY COVER

## INSTALLATION AND USER'S INSTRUCTIONS

Thank you for purchasing a Genuine Mazda Accessory.  
Before removal and installation, be sure to thoroughly read these instructions.  
Please read the contents of this booklet to properly install and use the body cover.  
Your safety depends on it.  
Keep these instructions with your vehicle records for future reference.

### **WARNING**

- There are several  **WARNING** and  **CAUTION** sections in this booklet concerning safety when installing or removing the body cover. Always read and follow the instructions in order to prevent injuries, accidents, and possible damage to the vehicle.
-  **WARNING**: Indicated a situation in which serious injury or death could result if the warning is ignored.
-  **CAUTION**: Indicates a situation in which bodily injury or damage to the vehicle could result if the caution is ignored.
- For areas indicating the tightening torque in this instruction manual, tighten to the specified torque using a torque wrench. For areas in which the tightening torque is indicated inside parentheses ( ), the tightening torque is indicated as a reference value. However, tightening using a torque wrench is not necessary.
- Do not modify the body cover.
- If in any doubt, please contact your Mazda dealer to install the accessory in order to prevent errors in installation.
- If you have any questions about the use of the accessory, ask your Mazda dealer for proper advice before using it.
- Mazda and its suppliers are not responsible for injuries, accidents, and damage to persons and property that arise from the failure of the dealer or installer to follow these instructions.
- To ensure safety and reliability of the work, installation, removal and disposal work must be carried out by an Authorized Mazda Dealership.
- Be careful not to lose removed parts. And be sure that they are kept free of dirt, scratches, or damage.
