Mazda Motor Logistics Europe N.V.
Blaasveldstraat 162
B-2830 Willebroek

To Whom It May Concern

We, Mazda Motor Logistics Europe N.V., Willebroek, Belgium, hereby confirm that there are no technical concerns to install tyre dimensions 205/60R16 or 215/45R18 for aftermarket usage on MAZDA3, Vehicle Type BPE starting from whole vehicle type approval no. e13*2007/46*2249*00.

Restriction on the certified tyre is based on requirements according to (EU) 2017/1151 as last amended by Commission Regulation (EU) 2018/1832.

Yours sincerely

Martijn ten Brink
Director
Mazda Motor Logistics Europe N.V.

Giovanni Barbieri
Director
