---

---

---

---

With this feedback we can improve our products every time for even more comfort.

Before you create a return shipment. Your return shipment must meet the following conditions:

1. The right to return applies to purchases under 15 days.
2. Your purchase must be fully, undamaged and in the original packaging with us to find.
3. A copy of the invoice must be included with the package.
4. This form must be completed and included with the package.

Please note: without this information we may not be able to carry out your return shipment.

If there are any questions, we would be happy to answer them.
