One product, many areas of use, extra easy application

TEMPALINE IS FAST, FLEXIBLE AND VERSATILE AND CAN BE USED FOR VARIOUS APPLICATION AREAS.

CONTROL & ORIENTATION SYSTEM
Tempaline serves as a guide for in- and outdoors use, for receiving visitors and leading them to their destination.

ROOM DIVIDER - DELIMITER
This system can be combined arbitrarily for dividing regions or demarcating areas into desired size or into individual regions.

BARRIER SECURITY SYSTEM
Tempaline is the ideal system for fast applications to close off areas quickly and in order to protect people from potentially dangerous situations.

INFORMATION MEDIA
Poster holders can be attached to serve as an information and advertising media.

So easy in 3 Steps

TEMPALINE IS THE PERFECT CHOICE FOR A
MOBILE AND FAST CROWD CONTROL SYSTEM.

TEMPALINE®
LINES UP IN A SNAP

1 OPEN
TO OPEN TWIST THE POST BASE TO THE RIGHT

FAST, FLEXIBLE SYSTEM FOR IN- AND OUTDOORS
The mobile system with patented design is suitable for in and outdoors.
Tempaline is set up in 3 simple steps, without tools in just 3 seconds.
Tempaline scores also with light weight, high stability and low volume.

2 PUSH
TO OPEN THE BASE, PUSH THE POST DOWNWARDS

INFOPOCKET AS INFORMATION & ADVERTISING MEDIA
Complement Tempaline with a double sided info pocket. Use the opportu-
nity of an additional advertisement or information medium. The pockets
are available to single sheet, in the formats A 5 horizontal or A4 horizon-
tal and vertical.

3 LOCK
TWIST THE POST BASE TO THE LEFT AND LOCK

FOUR WAY HOUSING
The control system can be expanded in four directions thanks to the four
way housing. Tempaline is so the perfect choice, to set space guidelines.
Tempaline is especially recommended for temporary usage to cordon off
areas in instances of maintenance or other works in progress.

PATENTED DESIGN FOR IN- AND OUTDOOR
Thanks to the patented design the base simply opens up and is set
up in no time at all. Just as quickly and conviently, Tempalines folds
together after use.

INFOPOCKET
as information -
and advertising-
media.

RETRACTABLE BELT
the belt can be easily pulled out
of the housing and snapped into
the adjoining post.
