

cubox

Kreatives Kedersystem für freistehe-nde oder abgehängte 3D-Strukturen. 100% personalisierbar mit bedrucktem Stoffkeder, alle Komponenten erhältlich in Standard oder Länge auf Maß. Schneller und einfacher Aufbau ohne Werkzeug, Bannertausch im Handumdrehen. Perfekt um Säulen zu verdecken oder personalisierte Counter zu bauen mittels Plattenaufgabe auf der Oberseite. Interne Beleuchtung optional möglich, silbermatt eloxierte Alu-Profile.

The creative way to make 3d free-standing or hanging elements. 100% Customizable with printed fabric, components available in standard sizes or customized lengths for free form composition. Quick and easy tool-free assembly. Instantly replaceable prints. Possibility to cover columns and create customized counters by setting a rigid panel on the top side. Optional internal illumination. Silver matt anodized aluminium profiles
