*The warranty period may vary for accessories.

** During the warranty period, Resmed will repair or replace (at the absolute discretion of Resmed) any covered Narval appliance and accessory with a defect in materials and workmanship, subject to the terms, conditions and exclusions of its warranty.

Please note the Narval CC mandibular advancement device is not available in England, Scotland or Wales.

Warranty repair work may only be performed by a Resmed facility or a Resmed authorized partner.

Resmed shall not be liable under this warranty for any change of colour that might happen over time or any damage that may be caused by pets or any consequential loss resulting from any defect. The warranty period is 24 months from the date of manufacture for Narval appliances and 12 months for any accessories provided with an appliance.

For the warranty to be honored, both splints with connecting rods, plaster models and bite registrations must be returned to Resmed.

This warranty shall be void if:
