We ship the dropshipping orders daily. Ordered and paid for 16.00 = shipped the same day.

Delivery times:

- The Netherlands 1 day
- Europe 2-6 days
- US and Canada 5-9 days
- Rest of the world 6-12 days

(we are not responsible for delays at the mail order company)

PowerBanks are only shipped in the Netherlands.

Larger items such as car holders and other electronics must come with a package. Take this into account when calculating consumer prices.

For some brands we have consumer suggested retail prices that can be downloaded from our website. A correct choice must be made for quick processing.

We are not responsible for orders without track and trace!
