

Xiaomi Electric Scooter 4 Pro

Ride with power, go in comfort

ID: 35803

SKU: BHR5399UK

More power,

- Maximum 700W output powers the scooter to ride easier and more comfortable
- Climbing angle up to 20%
- Maximum speed up to 20km/h, 45km travel distance.
- Riding range will upgrade to 55km* by OTA which will be released in August,2022. New firmware will optimize the efficiency of the motor to increase the riding range.

Safety Insurance

- Fully satisfy EN17128:2020 and UL regulation, provide much safer riding experience

Portable Design

- Sleek and elegant, portable and safe
- Minimalist design, aircraft-grade aluminum alloy for the main body
- Takes only 3 seconds to fold and go

Connects to Xiaomi Home App

- Check the riding speed and remaining power in real time after pairing your scooter through Bluetooth with your phone

Dual Braking System

- Upgraded double-action disc brake at rear wheel, improve control efficiency; together with E-ABS system at front wheel, the braking distance will be much shorter

Self-sealing Tire

- 10 inch self-sealing tires effectively absorb shocks and prevent slipping, the selfrepairing coating would protect the tire better, reduce the probability of leakage or burst

Energy Recovery

- The kinetic energy recovery system (KERS) recovers a moving vehicle's kinetic energy under braking for longer duration

Convenient charging

- Magnetic charging port and lid

Specifications:

Rated Power:	350W	Climbing Angle:	20%
Max. Speed:	20km/h	Travel Distance:	45km
Tires:	10" self-sealing tire	Max. Load:	120kg
Weight:	16.5kg	Dimensions :	1198x484x1240mm
Capacity Battery:	12400mAh 446Wh	Screen:	LED with Speed/Battery/Status/Mode
Compatible with:	Android 4.3 or iOS 9.0 and above	Wireless Connectivity:	Bluetooth 4.1 BLE and above
Package contents:	Electric scooter, Battery charger, T-shape Allen key, Extension nozzle, Screw x 5, User manual, Specifications, Important information
