Green: Below 37.4°C

Red: Over 37.4°C

## Technical Specification

Body: 35.0°C-42.0°C (95°F-107.9°F)

Surface: 0°C-100°C (32°F-212°F)

Accuracy: ±0.3°C/0.6°F

Resolution: 0.1°C/0.1°F

Measuring distance: 30-50MM

Working voltage: DC3V(2 AA batteries)

Reaction time: 1.0S

Record number: 10

## Product information

Size: 150\*96\*43MM

Weight: 110G

Packaging accessories: User's manual, certificate of conformity

After sales service: 1 year warranty

\*Please read the instructions before use

Executive quality level

Quality management system standards:

GB/T19001-2016/ISO9001:2015

Environmental management system:

ISO1400-12015

Transportation and storage conditions:

-20°C-55°C

Relative humidity: ≤93%

Made in China
