ADVENT CALENDAR
Canvas Digital
03270.001

★★

Instructions

Required materials
- 1 DIY panel, article 03270 from POPPY FABRICS
- Matching fabric for the backside 60 x 100 cm, we recommend Canvas, art. 02900.018
- Sewing machine and stitching thread
- Hanging system, we recommend a wooden stick of 54 cm and a wooden ring
- Needle and thread

Pattern pieces
1. Advent calendar front 1x
2. Roof 1x
3. Advent pockets 24x

Cut to size
1. Fabric for the backside 1x - W60cm x H100cm

Instructions
1. First, cut out all of the parts.

Advent calendar
2. Place the front side of the calendar on the back side fabric with the right sides together, pin in place and cut the same shape as the calendar.
3. Stitch front and back together, leaving an opening for turning.
4. Turn the fabric and close the opening.

Roof
5. Place the parts of the roof right sides together, stitch together, leaving an opening for turning.
6. Turn the fabric and close the opening.
7. Do the same for the other half of the roof.
8. Place the parts for the roof on top of the calendar to check the correct placement.
9. Attach the two parts of the roof together.
10. Attach the roof onto the top of the calendar.

Advent pockets
11. All pockets have thin guidelines, follow these lines in the following steps.
12. Fold and stitch the top line of all pockets.

13. Lay down the pockets onto the base of the calendar, all 5 rows should fit onto the base perfectly.

14. Start with the first row of pockets (numbers: 11, 20, 9, 3 and 16).
15. Make sure to fold the bottom line of all pockets inward while following the next steps.

Left to right
16. Fold the first part inward and stitch the first line onto the base.
17. Also stitch the second line onto the base.
18. Fold the third line back over the two first lines and iron the fabric so it stays in place.

19. Now you will pass number 11 and reach a fourth and fifth line.
20. Fold the fifth line below the fourth, iron so it stays in place.
21. Stitch the fifth and sixth line onto the base.
22. Fold the seventh line back over the sixth line till you reach the middle of the fifth and sixth line, iron so it stays in place.

23. Now you will pass number 20 and reach an eighth and ninth line.
24. Fold the ninth line below the eighth, iron so it stays in place.
25. Stitch lines nine and ten onto the base.
26. Fold line eleven back over line ten till you reach the middle of the lines nine and ten, iron so it stays in place.

27. Now you will pass number 9 and reach lines twelve and thirteen.
28. Fold line thirteen below line twelve, iron so it stays in place.
29. Stitch lines thirteen and fourteen onto the base.
30. Fold line fifteen back over line fourteen till you reach the middle of the lines thirteen and fourteen, iron so it stays in place.

31. Now you will pass number 3 and reach lines sixteen and seventeen.
32. Fold line seventeen below line sixteen, iron so it stays in place.
33. Stitch lines seventeen and eighteen onto the base.
34. Fold line nineteen back over line eighteen till you reach the middle of lines seventeen and eighteen, iron so it stays in place.

35. Now you will pass number 16 and reach lines twenty and twenty-one.
36. Fold line twenty-one below line twenty, iron so it stays in place.
37. Fold the last part below line twenty-two, iron so it stays in place.

38. Stitch lines twenty-one and twenty-two onto the base.

39. Stitch the bottom line of the pockets.

40. Repeat these steps for all 5 rows of pockets.

Hanging system

41. Drill a hole at each end of the wooden stick.

42. Attach the stick to the top width of the advent calendar with needle and thread.

43. Attach the wooden ring to the tip of the advent calendar with needle and thread.
