TuffStuff Fitness International, Inc. continually engages in research related to product improvements. Please take the time to carefully read through this owner's manual thoroughly. Instructions contained in this owner's manual are not intended to cover all details or variations possible with equipment, or to cover every contingency that may be met in conjunction with assembly, installation, operation, maintenance or troubleshooting of the equipment. Even though we have prepared this owner's manual with extreme care, neither the manufacturer nor the author can accept responsibility for any errors in, or omission from, the information given. Should additional information be required, or should situations arise that are not covered by this owner's manual, the matter should be directed to Customer Service at TuffStuff Fitness International, Inc. in Chino, California.

WARNING

Serious injury or death can occur if these rules and precautions are not observed:

1. Read and Understand Owner's Manual and all DANGER, WARNING and CAUTION labels before using this equipment. If you still need help, seek assistance from floor personnel.
2. Obtain a medical exam before beginning any exercise program.
3. Stop exercising if you feel faint or dizzy. Consult a physician if you are experiencing pain.
4. Inspect equipment prior to use for wear and tear, loose fittings, worn or frayed cables/belts and frame welds. Do not use if it appears damaged or imperable.
5. Do not attempt to fix or free any jammed parts by yourself. Seek assistance from floor personnel.
6. Use this equipment only for the intended use and for exercises shown in the exercise label.
7. Keep body, clothing and hair clear from all moving parts.
8. Children must not be allowed near this machine. Teenager must be supervised.
9. Make sure the selector pin is completely inserted. Use only the selector pin provided by the manufacturer. If difficulty inserting the pin, seek assistance from floor personnel.
10. Never pin the weights in an elevated position. Do not use the machine if found in this condition. Inform floor personnel immediately.
11. Do not modify selectorized weight stack with any add-on incremental weights or dumbbells, except those with standard factory installed.
12. Do not remove labels affixed to the machine. Replace if damaged.

DANGER

Use this equipment ONLY for its intended purpose. If you are unfamiliar with the equipment or procedure, refer to your Owner's Manual or call TuffStuff at 888-884-8275. Failure to comply could result in serious injury or death.

61

WARRANTY

LIGHT COMMERCIAL TEN (10) YEARS:

- Frames, welds, cams and weight plates

FIVE (5) YEARS:

- Pivot bushings, pulleys, bushings, gas shocks and guide rods

ONE (1) YEAR:

- Belts, linear bearings and pull-pin components

ALL OTHER PARTS not mentioned, one year from the date of delivery to the original purchaser.

SIX (6) MONTHS:

- Upholstery, cables, finish and rubber grips

Light Commercial Use: Light Commercial warranty applies only to facilities like hotels, apartment complexes, personal training studios, fire & police stations, etc., where the equipment would be used by no more than 30 people per day. Refer to the Owner's Manual for exact assembly & maintenance requirements, review and understand all design warnings and caution labels.

All warranty periods begin to run from the date of delivery to the original purchaser. The obligation of TuffStuff under this warranty is limited to repairing or replacing worn/damaged defective parts. TuffStuff may elect, at TuffStuff's facility in China, California, without charge to the Purchaser for either parts or labor. Purchaser is responsible for installation of repaired or replaced parts, and all transportation and insurance costs to and from TuffStuff's facility in China. For a detailed copy of the warranty, please contact:

BE ALERT!

THE FITNESS EQUIPMENT IN THIS FACILITY PRESENTS HAZARDS WHICH, IF NOT AVOIDED, COULD CAUSE SERIOUS INJURY OR DEATH.

Prior to using the equipment, READ the warning labels and instruction placards affixed to each machine.

If you are unsure on how to use a machine, seek the assistance of our floor personnel. We will be happy to instruct you on how to use the equipment properly.

Immediately report any piece of equipment that is not functioning properly to our floor personnel so that it may be evaluated and service promptly.

DO NOT ATTEMPT to use or fix any piece of equipment that is not functioning properly.

ASTM F1749-96 TUFFSTUFF FITNESS INTERNATIONAL, CHINO, CA 91710
BNH3138

55

It is extremely important that the **BE ALERT!** 42 Sign shown to the left be installed in plain view of the unit.

You should have received it along with this Owners Manual. If you did not receive this Sign with your order, you can obtain one at no cost to you from TuffStuff Fitness by contacting our service department at:

1 (888) 884-8275
service@tuffstuff.net
service1@tuffstuff.net

Important Safety Instructions

It is the responsibility of the facility owner and/or owner of the equipment to review the Owner's Manual with their facility personnel and understand all Danger, Warning and Caution labels affixed on the machine. It is the responsibility of the floor personnel to instruct users on proper operation of the equipment and review all danger, warning and caution labels.

⚠ WARNING SERIOUS INJURY OR DEATH CAN OCCUR IF THESE SAFETY PRECAUTIONS ARE NOT OBSERVED:

1. Obtain a medical exam before beginning any exercise program.
2. Read and understand Owner's Manual and all **Danger, Warning and Caution** labels before using this equipment. If you still need help, seek assistance from floor personnel.
3. **Inspect the equipment** before each use for wear and tear, loose fittings, worn or frayed cables and frame welds. **DO NOT USE** if it appears to be inoperable or damaged.
4. Stop exercising if you feel faint or dizzy. Consult a physician if you are experiencing pain.
5. **Use this equipment only for the intended use.**
6. Keep body, clothing and hair clear from all moving parts. Do not attempt to free any jammed parts by yourself.
7. Always warm-up before and cool-down after weight training. Warm-up for 10-15 minutes with stretching and cardiovascular exercises. Cool-down should include light stretching exercises for 5-15 minutes.
8. Never hold your breath – will limit the flow of oxygen to your brain and may cause dizziness. The most often used breathing pattern is inhaling during least resistance and exhaling during maximum resistance.
9. Do not use accessories or accessory attachments that are not recommended by TFI.
10. Make sure selector pin is completely inserted. Use only the selector pin provided by the manufacturer.
11. Never pin the weights in an elevated position. Do not use the machine if found in this condition.
12. Perform regular maintenance (see Inspection Label). Pay special attention to areas most susceptible to wear and tear, including but not limited to cables, pulleys and rubber grips.
13. **Do not** lean against or pull on the framework, weight stack or any component at all times.
14. **Children must not** be allowed near the equipment. Teenager must be supervised.
15. Replace immediately all parts at first sign of wear or damage. If unable to replace worn or damaged components/parts, remove machine from service until the repair is made.
16. Use only genuine TuffStuff replacement parts. Failure to do so will void warranty and could result in serious injury or death to the users.
17. **Do not remove** any decals affixed to the machine. Replace if damaged.
18. **Do not alter or modify** the original manufacturer's weight stack with any add-on incremental weights, weight plates or dumbbells except those with standard factory installed option.
19. Maintain a service contract with a TFI Authorized Dealer or a Professional Service Company approved by TFI. Keep a service log of all maintenance and repair activities. **NOTICE:** It is the sole responsibility of the owner or facility operator to ensure that regular maintenance is performed.

Facility Safety Guidelines and Practices

1. Read and understand the Owner's Manual before assembling, servicing or using the equipment.
2. Equipment to be installed by TFI Authorized Dealer or Professional Service Company approved by TFI.
3. Make sure each machine is set up and operated on a solid level surface. Do not install equipment on an uneven surface.
4. Provide an adequate safety perimeter between the machine, walls and other equipment to ensure that the facility has proper clearance for usage and training.
5. Post and disclose all safety, rules and regulations on a bulletin board easily accessible to users.

DANGER: indicates an imminently hazardous situation which, if not avoided, will result in death or serious injury.

WARNING: indicates a potentially hazardous situation which, if not avoided, will result in death or serious injury.

CAUTION: indicates a hazardous situation which, if not avoided, could result in minor or moderate injury.

Registration, Service & Assembly

Thank you for purchasing the CSM-600 Basic Smith Machine/Half Cage Combo w/Safety Stoppers. This machine is part of the TuffStuff line of quality strength training equipment. To maximize your use of the equipment, please study the Owner's Manual thoroughly.

Registration

To avoid unnecessary delays on warranty parts and to insure that a permanent record of your purchase is on file with our company, be sure to register online at:

<http://www.tuffstufffitness.com>

or mail to address shown below within 10 days of purchase.

Obtaining Service

Please use this Owner's Manual as your guide to all parts included in your shipment. When ordering parts, you must specify the part number and description from this manual. **Use only genuine TuffStuff replacement parts when servicing the equipment.** Failure to do so will void warranty and could result in serious injury or death.

For information about product operation or service:

Phone: 909-629-1600 Toll Free 888-884-8275

Fax: 909-629-4967

E-mail: service@tuffstuff.net or service1@tuffstuff.net

Hours: M-F 8:00 – 4:30 PST

Or write to: TuffStuff Fitness International, Inc.

Customer Service

13971 Norton Avenue, Chino, CA 91710

Retain this Owner's Manual for future reference when ordering service or parts. To assist you better, please be prepared to provide the following information:

1. Model Number
2. Place of Purchase
3. Serial Number
4. Part # and Description

Required Tools

The basic tools that you will need to assemble the CSM-600 but are not limited to:

- 9/16", 3/4" Combination Wrenches
- Ratchet Wrench with 9/16", 3/4" sockets
- Crescent Adjustable Wrench
- External retaining ring pliers
- Rubber mallet, measuring tape & utility knife
- Super Lube® spray lubricant and grease
- Windex or household glass cleaner

Assembly Requirements

Follow these installation requirements when assembling the CSM-600. Use the overhead view on the Content Page to layout your floor plan before assembling.

Set up the CSM-600 on a clean, solid, flat surface. A smooth, flat surface under the machine helps keep it level.

Allow ample space around the machine for safe unrestricted use and easier access.

Insert all bolts in the same direction. For aesthetic appearance, insert all bolts in the same direction unless specified (in text or illustration) to do otherwise.

Leave room for adjustments. Do not fully tighten fasteners until instructed in the assembly steps to do so (to prevent any difficulty with alignment of parts during the assembly process). When not instructed, tighten fasteners such as bolts, nuts and screws so the unit is stable, but leave room for adjustments.

Assembly Tips

Read all "Notes" on each page before beginning each step.

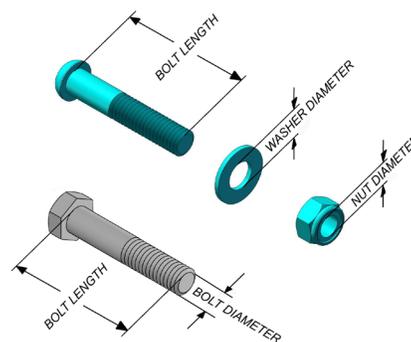

While you may be able to assemble the CSM-600 using the illustrations only, IMPORTANT safety notes and other tips are included in the text.

Some pieces may have extra holes that you will not use. Use only those holes indicated in the instructions and illustration.

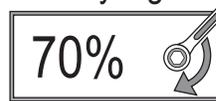

NOTE: With so many assembled parts, proper alignment and adjustment is critical. While tightening the nuts and bolts, be sure to leave room for final adjustments.

CAUTION: Obtain assistance from TuffStuff if you have difficulty assembling the CSM-600. Please do not attempt to complete the assembly as this could result in equipment failure and serious injuries to the users.

Symbols & Description

Loosely Tighten 

Loosely Tighten

Loosely tighten all hardware in this step. DO NOT Fully Tighten. Some component(s) may need pre-assembly and or alignment during the assembly process.

Fully Tighten 

Fully Tighten

Wrench tighten all hardware in this step.

Safety Precautions

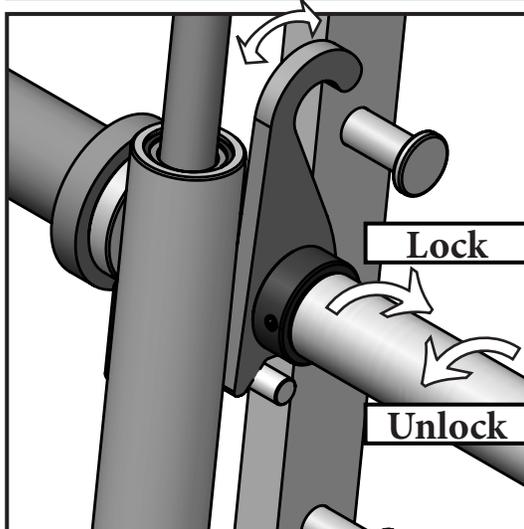

Fig. A Illustration above depicts the **Weight Lift Bar** locking mechanism.

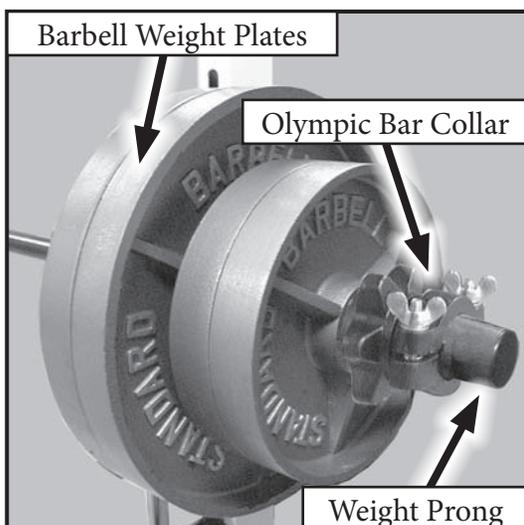

Fig. B **Warning:** Use collars to prevent the weight plates from falling off the **Weight Prongs**.

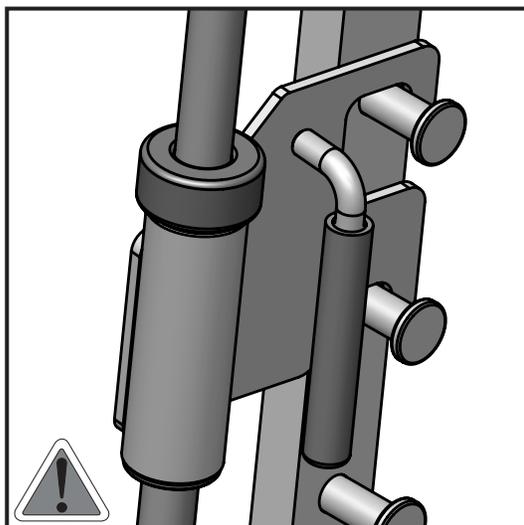

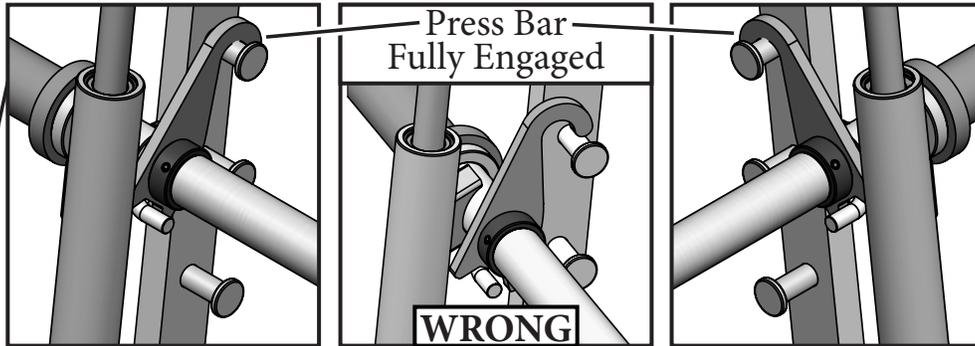

Fig. C **Danger:** Check that both **Safety Stopper Brackets** are fully engaged into the **Stopper Prongs**.

1. The **Weight Lift Bar Assembly (*20)** has a twist locking mechanism that allows you to safely lock out the **Weight Lift Bar Assembly (*20)** at virtually any setting. See **Fig. A**

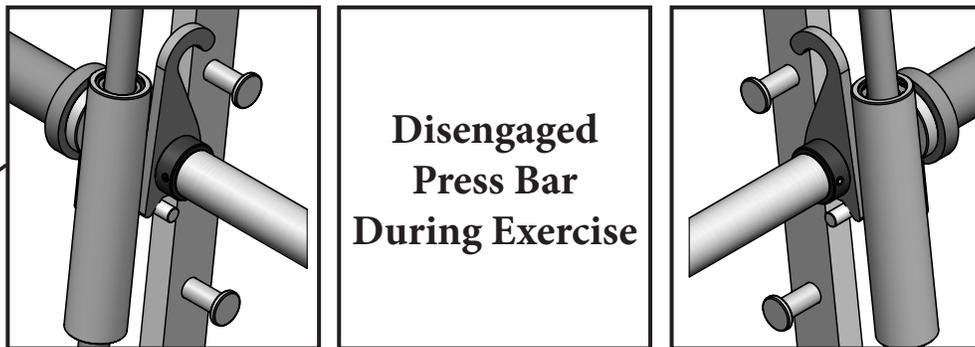

2. If you are adding or storing weight plates on the **Weight Prongs** of the **Press Bar Housings (#14, #15)**, do not over-load them. Allow enough space for weight collars. (Collars must be purchased separately). See **Fig. B**

3. Pay special attention to the **Safety Stoppers Brackets (#18, #19)**. Be sure they are fully engaged into the **Stopper Prongs (#85)** of the **Safety Stopper Posts (#12)**. Refer to **Fig. C** for further illustration.

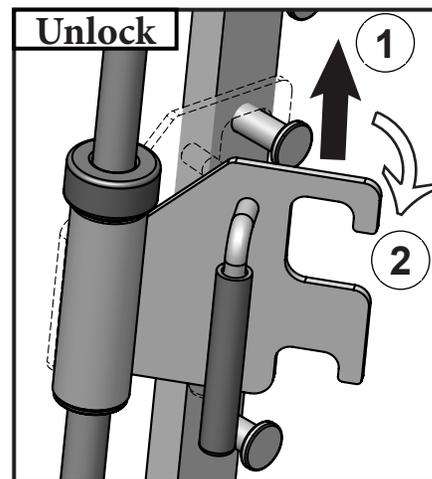

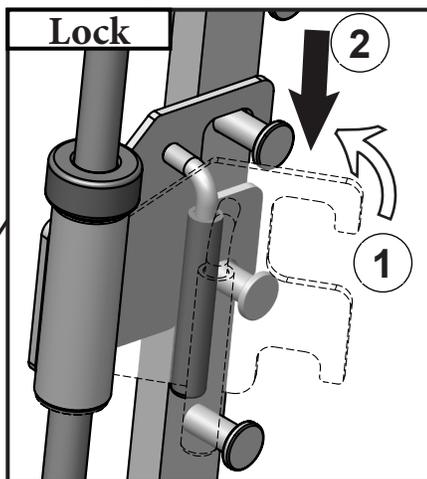

Safety Precautions

4. **DANGER:** Once the unit is completely assembled take the time to ensure that the unit is assembled correctly square and perpendicular. Pay special attention to the **Weight Lift Bar Assembly (*20)** making sure both hooks engage uniformly and completely into each **Stopper Prong (#85)**. If both of the Weight Lift Bar Hooks are not engaging uniformly into the **Stopper Prongs (#85)**, it will be necessary to loosen some frame hardware then re-align the frame and re-tighten the hardware. If problem persists, **Do Not Use the Machine** and contact your TuffStuff Retailer or Customer Service (888) 884-8275.

5. The illustrations above depict the **Weight Lift Bar Assembly (*20)** disengaged setting which is used during exercise.

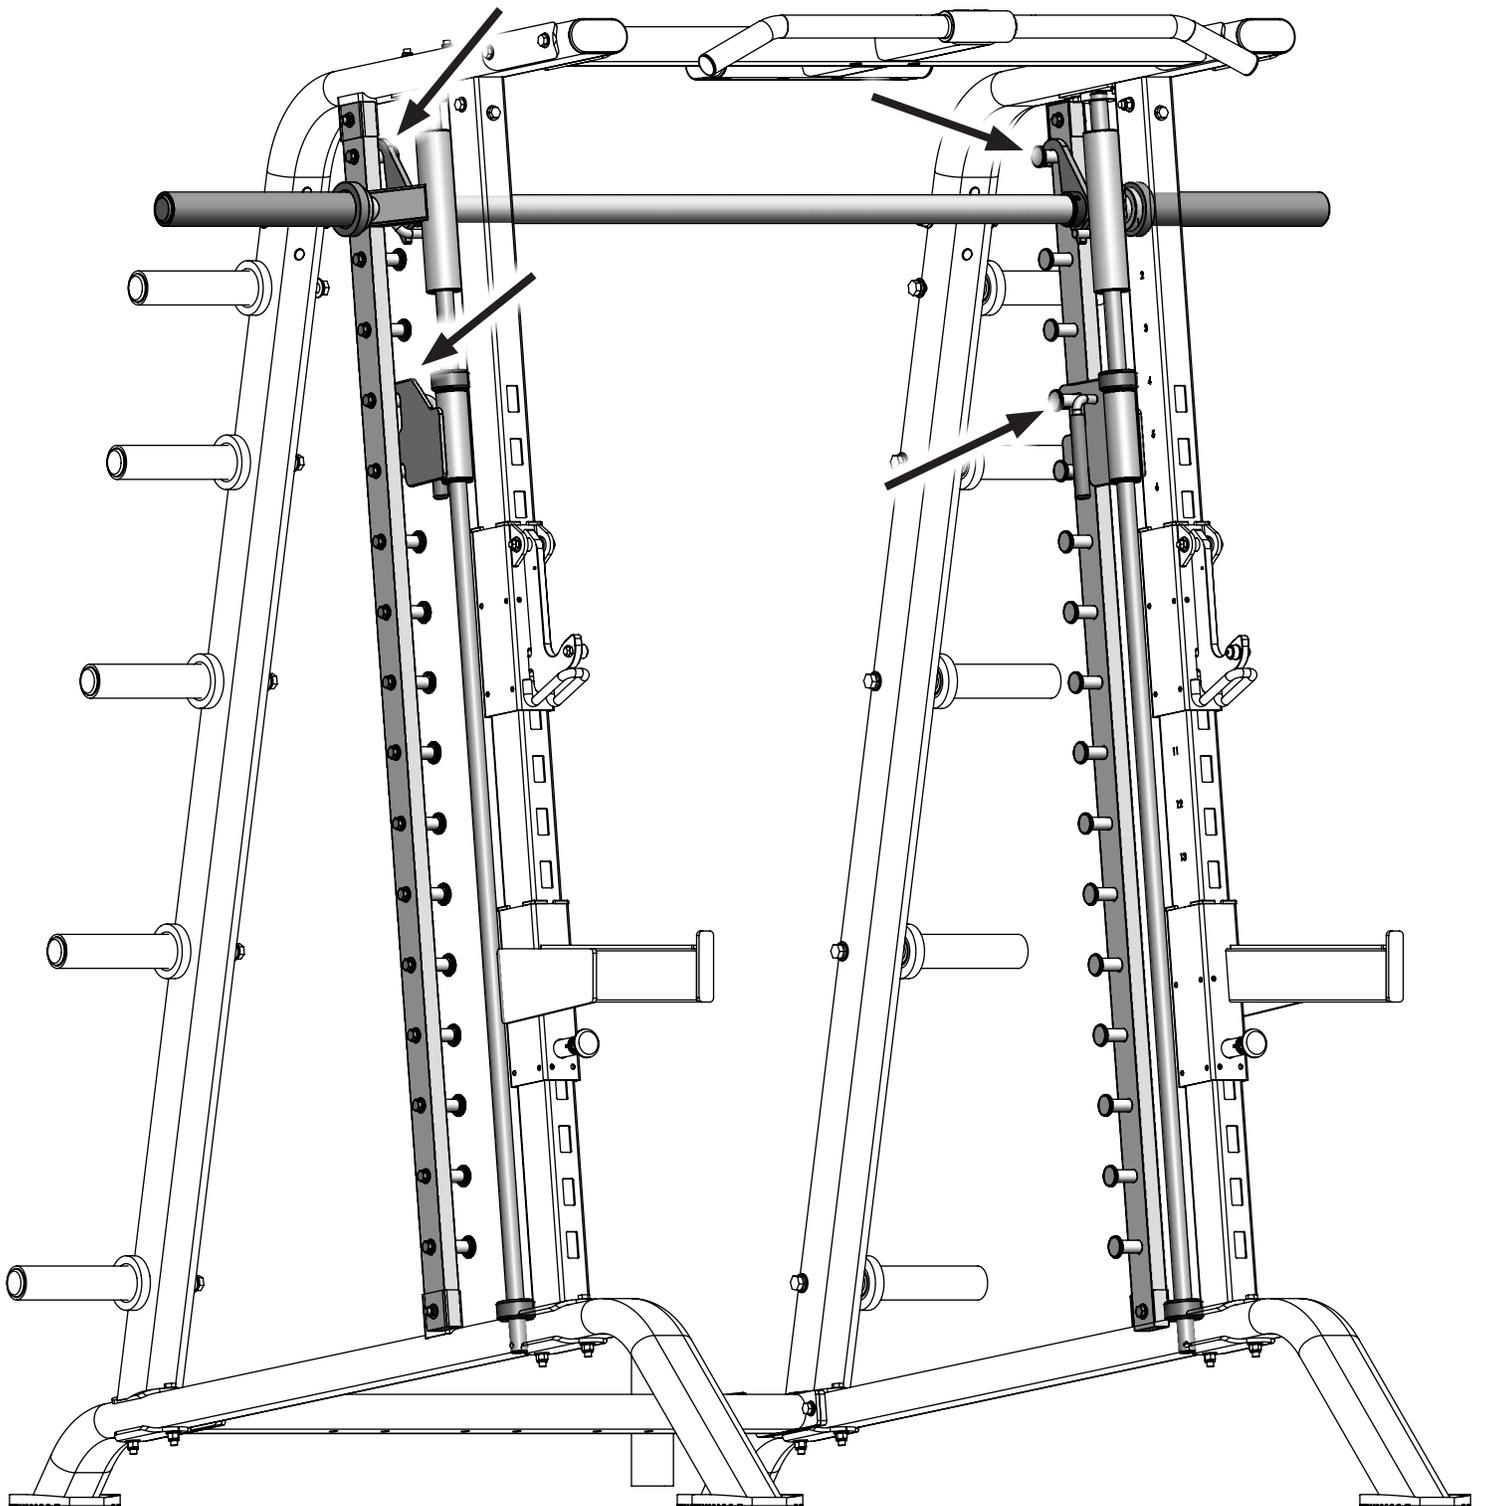

6. **DANGER:** The **Safety Stoppers Brackets (#18, #19)** prevent the **Weight Lift Bar Assembly (*20)** from being lowered below required point and avoid getting crushed under the **Weight Lift Bar Assembly (*20)** if the weight is too heavy to control. Ensure that the **Safety Stoppers Brackets (#18, #19)** are set to an equal adjustment setting (same height). Before you add weight plates to the **Weight Lift Bar Assembly (*20)** you must first set-up the **Safety Stoppers Brackets (#18, #19)** for the required exercise. It is recommended that you test the desired setting without weight plates on the **Weight Lift Bar Assembly (*20)** to make sure the **Safety Stoppers Brackets (#18, #19)** are set to the appropriate exercise setting.

Safety Precautions

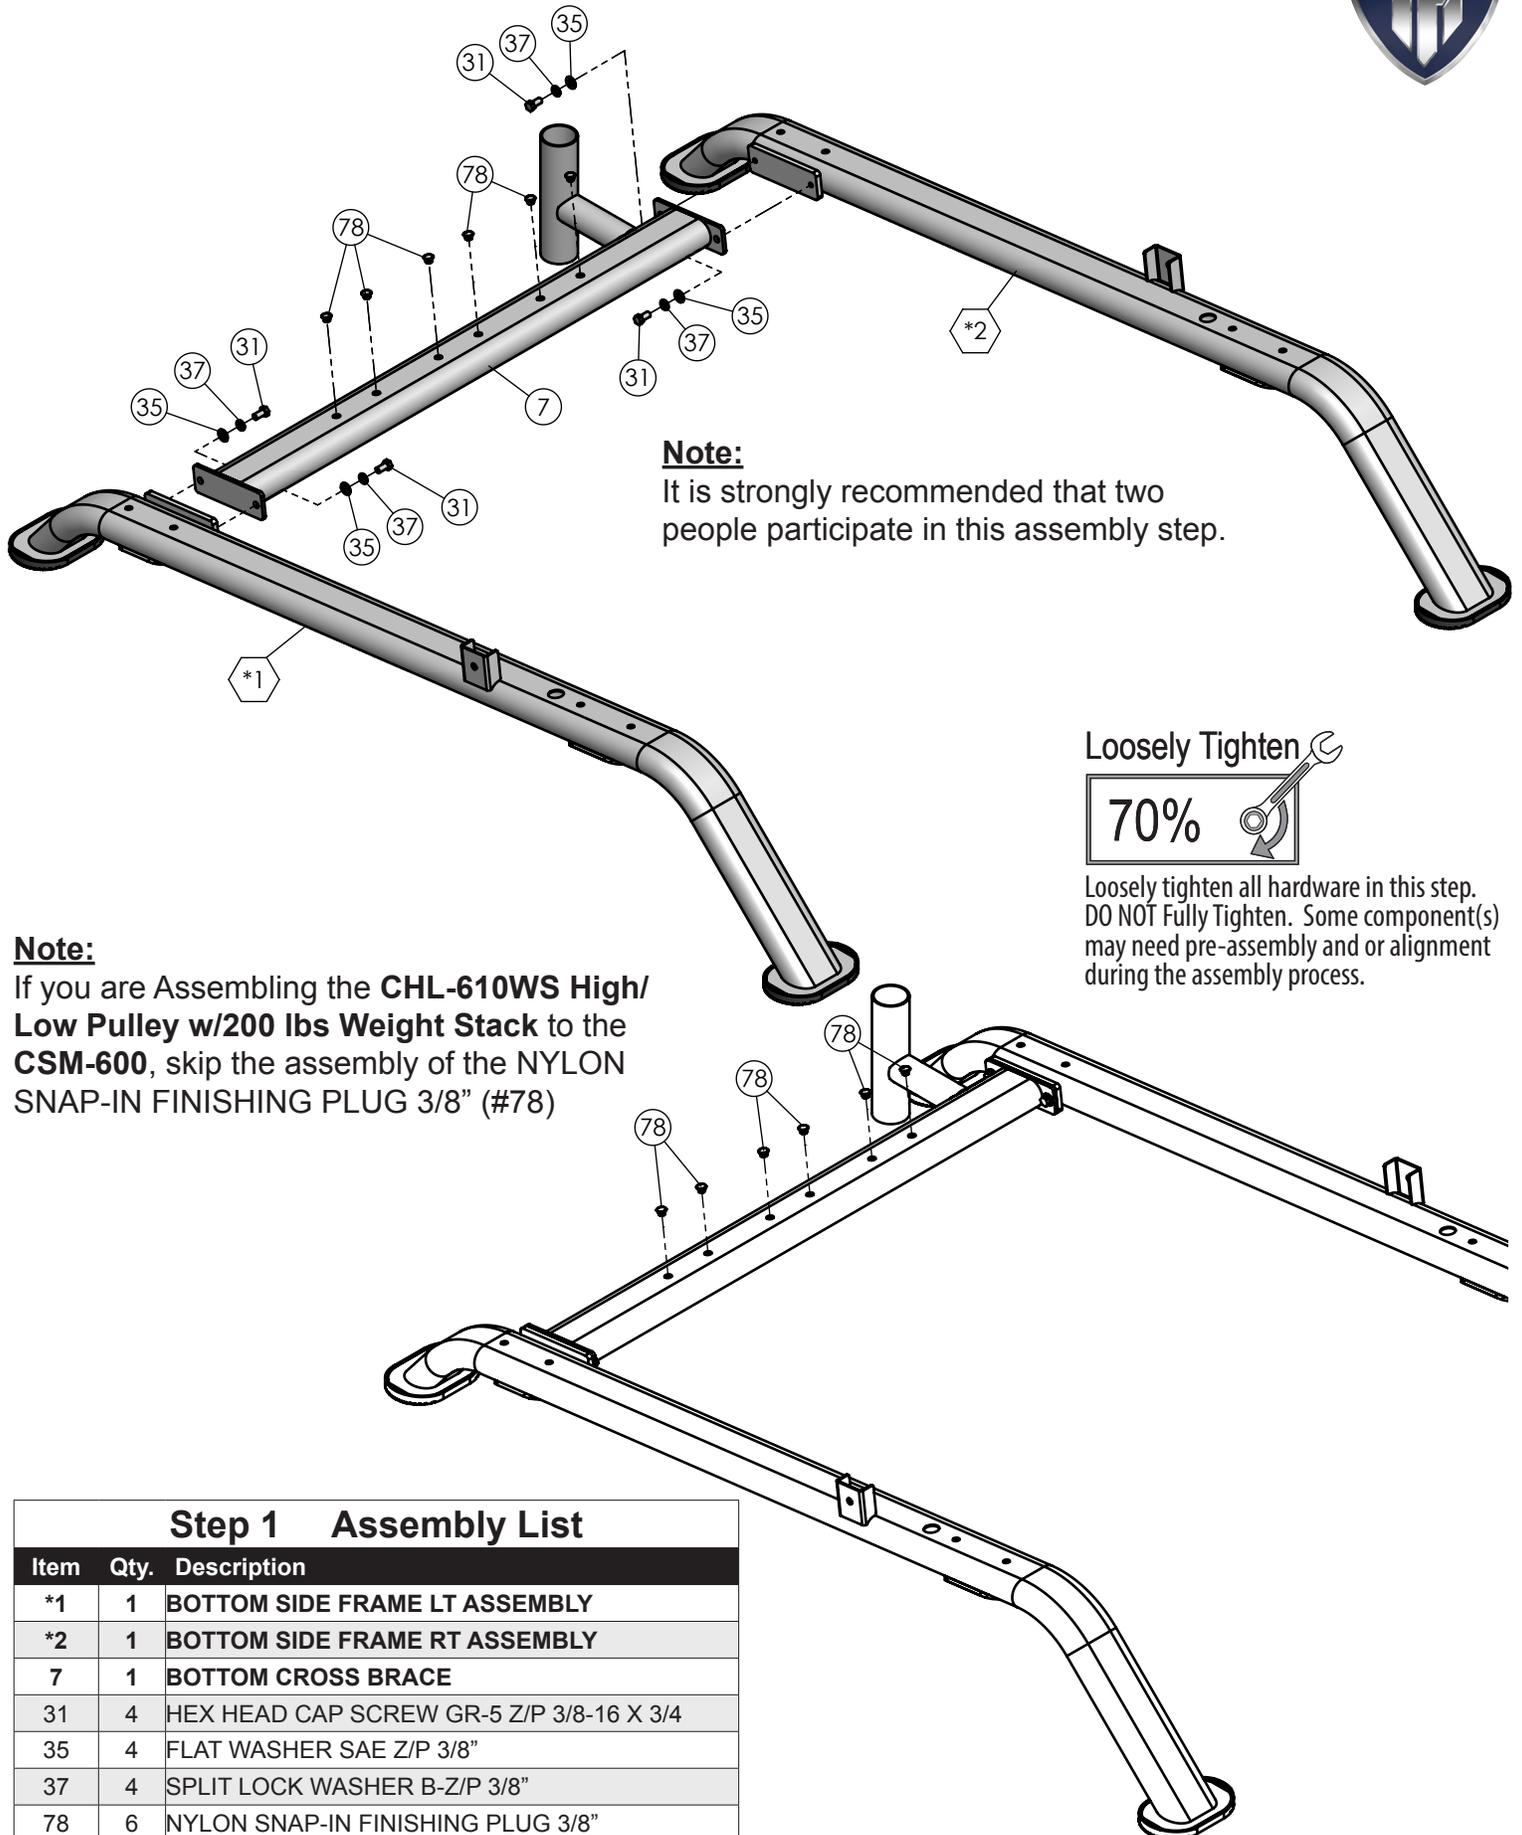

NOTE:

WHEN NOT USING THE SMITH PRESS FEATURE, FULLY ENGAGE THE **WEIGHT LIFT BAR ASSEMBLY (*20)** ON HIGHEST WEIGHT **STOPPER PRONGS (#85)** AND THE **SAFETY STOPPER BRACKETS (#18, #19)** RIGHT BELOW, AS SHOWN BELOW.

Step 1

Note:
It is strongly recommended that two people participate in this assembly step.

Loosely Tighten 

70% 

Loosely tighten all hardware in this step. DO NOT Fully Tighten. Some component(s) may need pre-assembly and or alignment during the assembly process.

Note:
If you are Assembling the **CHL-610WS High/Low Pulley w/200 lbs Weight Stack** to the **CSM-600**, skip the assembly of the **NYLON SNAP-IN FINISHING PLUG 3/8" (#78)**

Step 1 Assembly List		
Item	Qty.	Description
*1	1	BOTTOM SIDE FRAME LT ASSEMBLY

Note:
It is strongly recommended that two people participate in this assembly step.

Note:
Some parts have been removed for Clarity.

Step 5

Note:
Position reference numbers facing toward the inside of the unit.

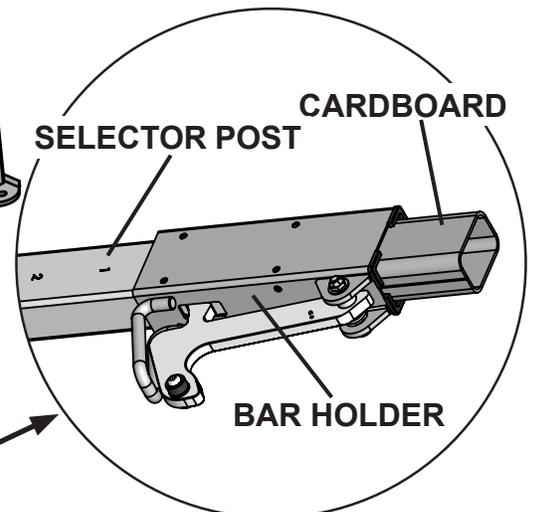

Note:
Nylon Knobs facing toward the inside of the unit.

Step 5 Assembly List		
Item	Qty.	Description
5	1	SELECTOR POST LT
6	1	SELECTOR POST RT
*8	1	BAR HOLDER LT ASSEMBLY
*9	1	BAR HOLDER RT ASSEMBLY
*10	1	SAFETY STOPPER LT ASSEMBLY
*11	1	SAFETY STOPPER RT ASSEMBLY

Note:
It is strongly recommended that two people participate in this assembly step.

Note:
Do not remove cardboard from inside of the **Bar Holders** as it is used to hold the Plastic Glides in place. Slide the **Bar Holders** over the **Selector Posts** and the cardboard will slide out as shown.

Step 6

Step 6 Assembly List

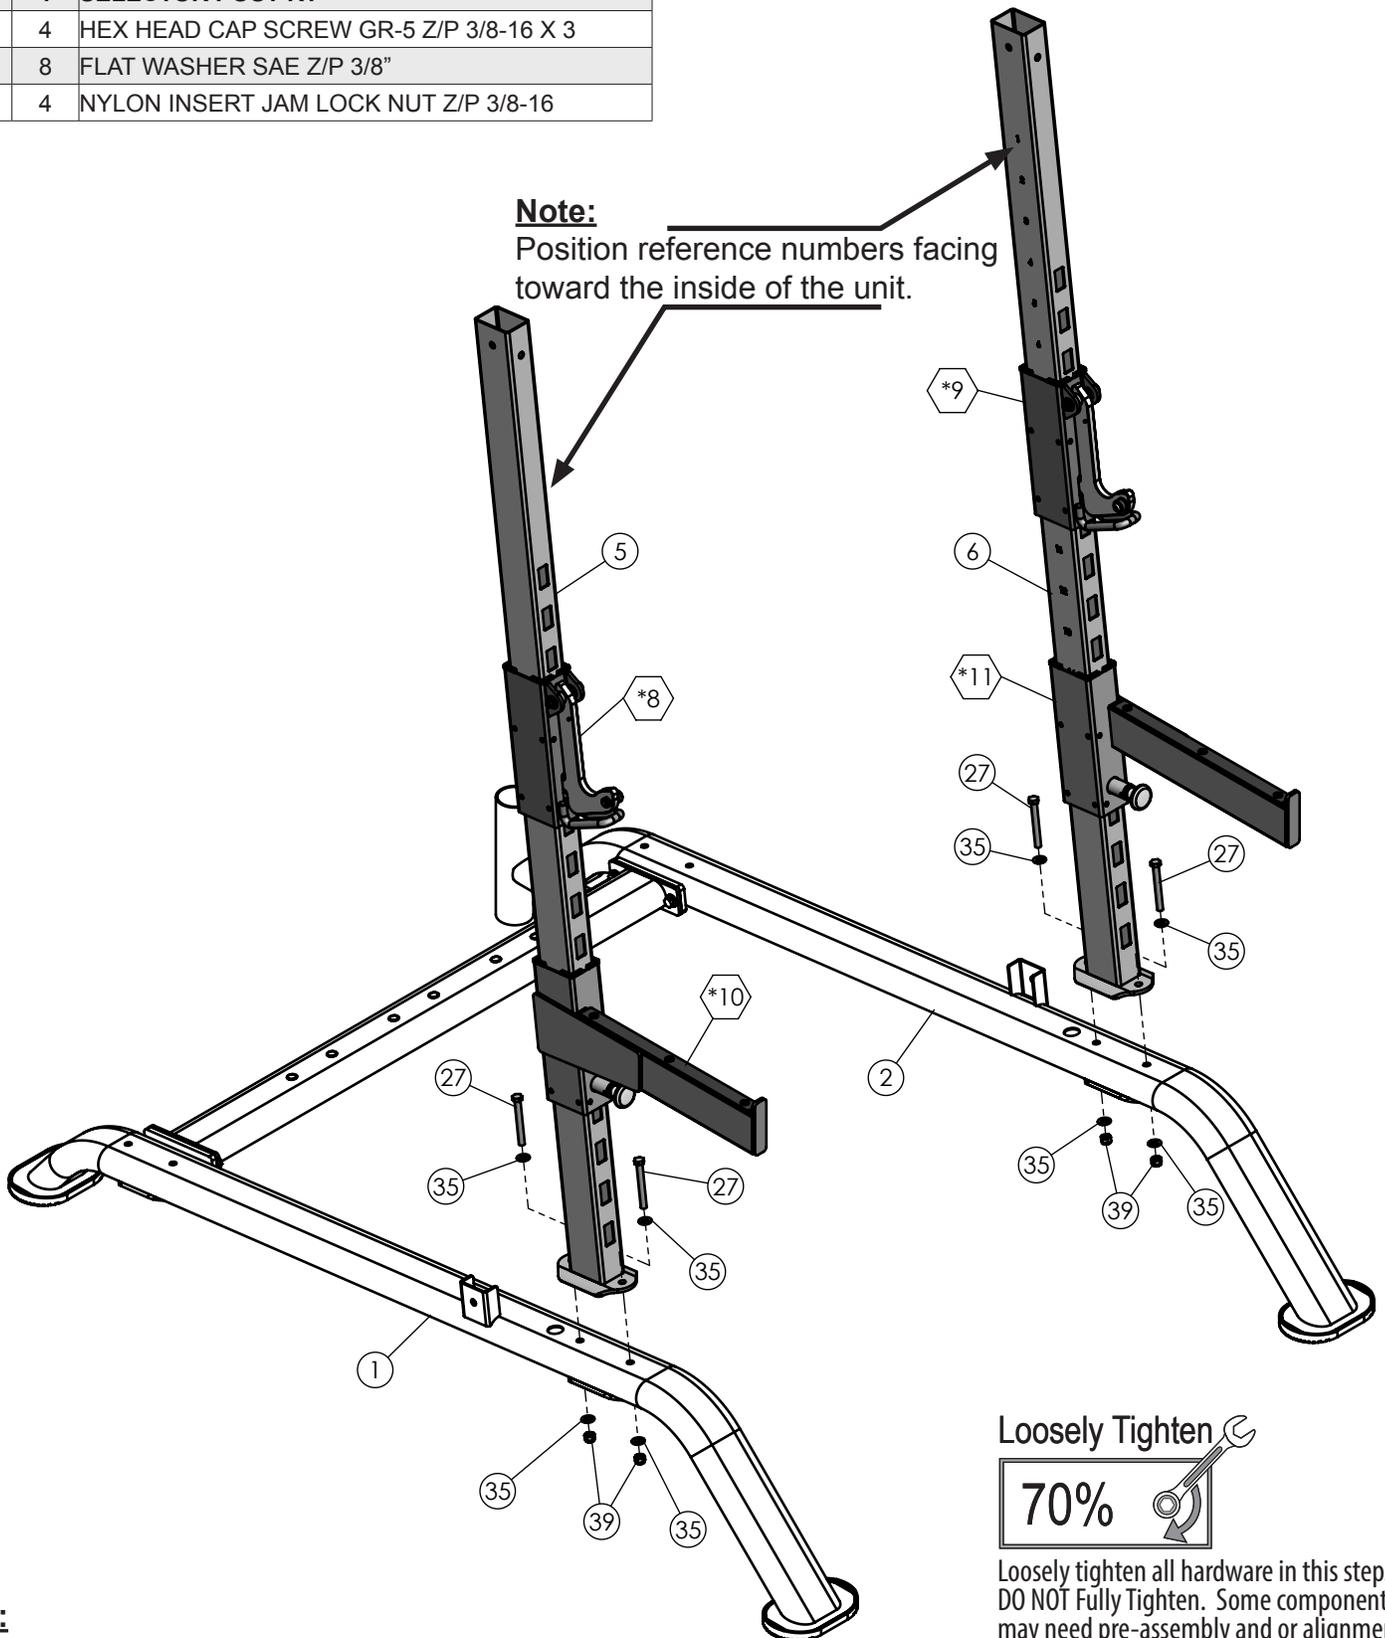

Item	Qty.	Description
5	1	SELECTOR POST LT
6	1	SELECTOR POST RT
27	4	HEX HEAD CAP SCREW GR-5 Z/P 3/8-16 X 3
35	8	FLAT WASHER SAE Z/P 3/8"
39	4	NYLON INSERT JAM LOCK NUT Z/P 3/8-16

Note:

It is strongly recommended that two people participate in this assembly step.

Note:

Position reference numbers facing toward the inside of the unit.

Note:

Some parts have been removed for Clarity.

Loosely Tighten 

70% 

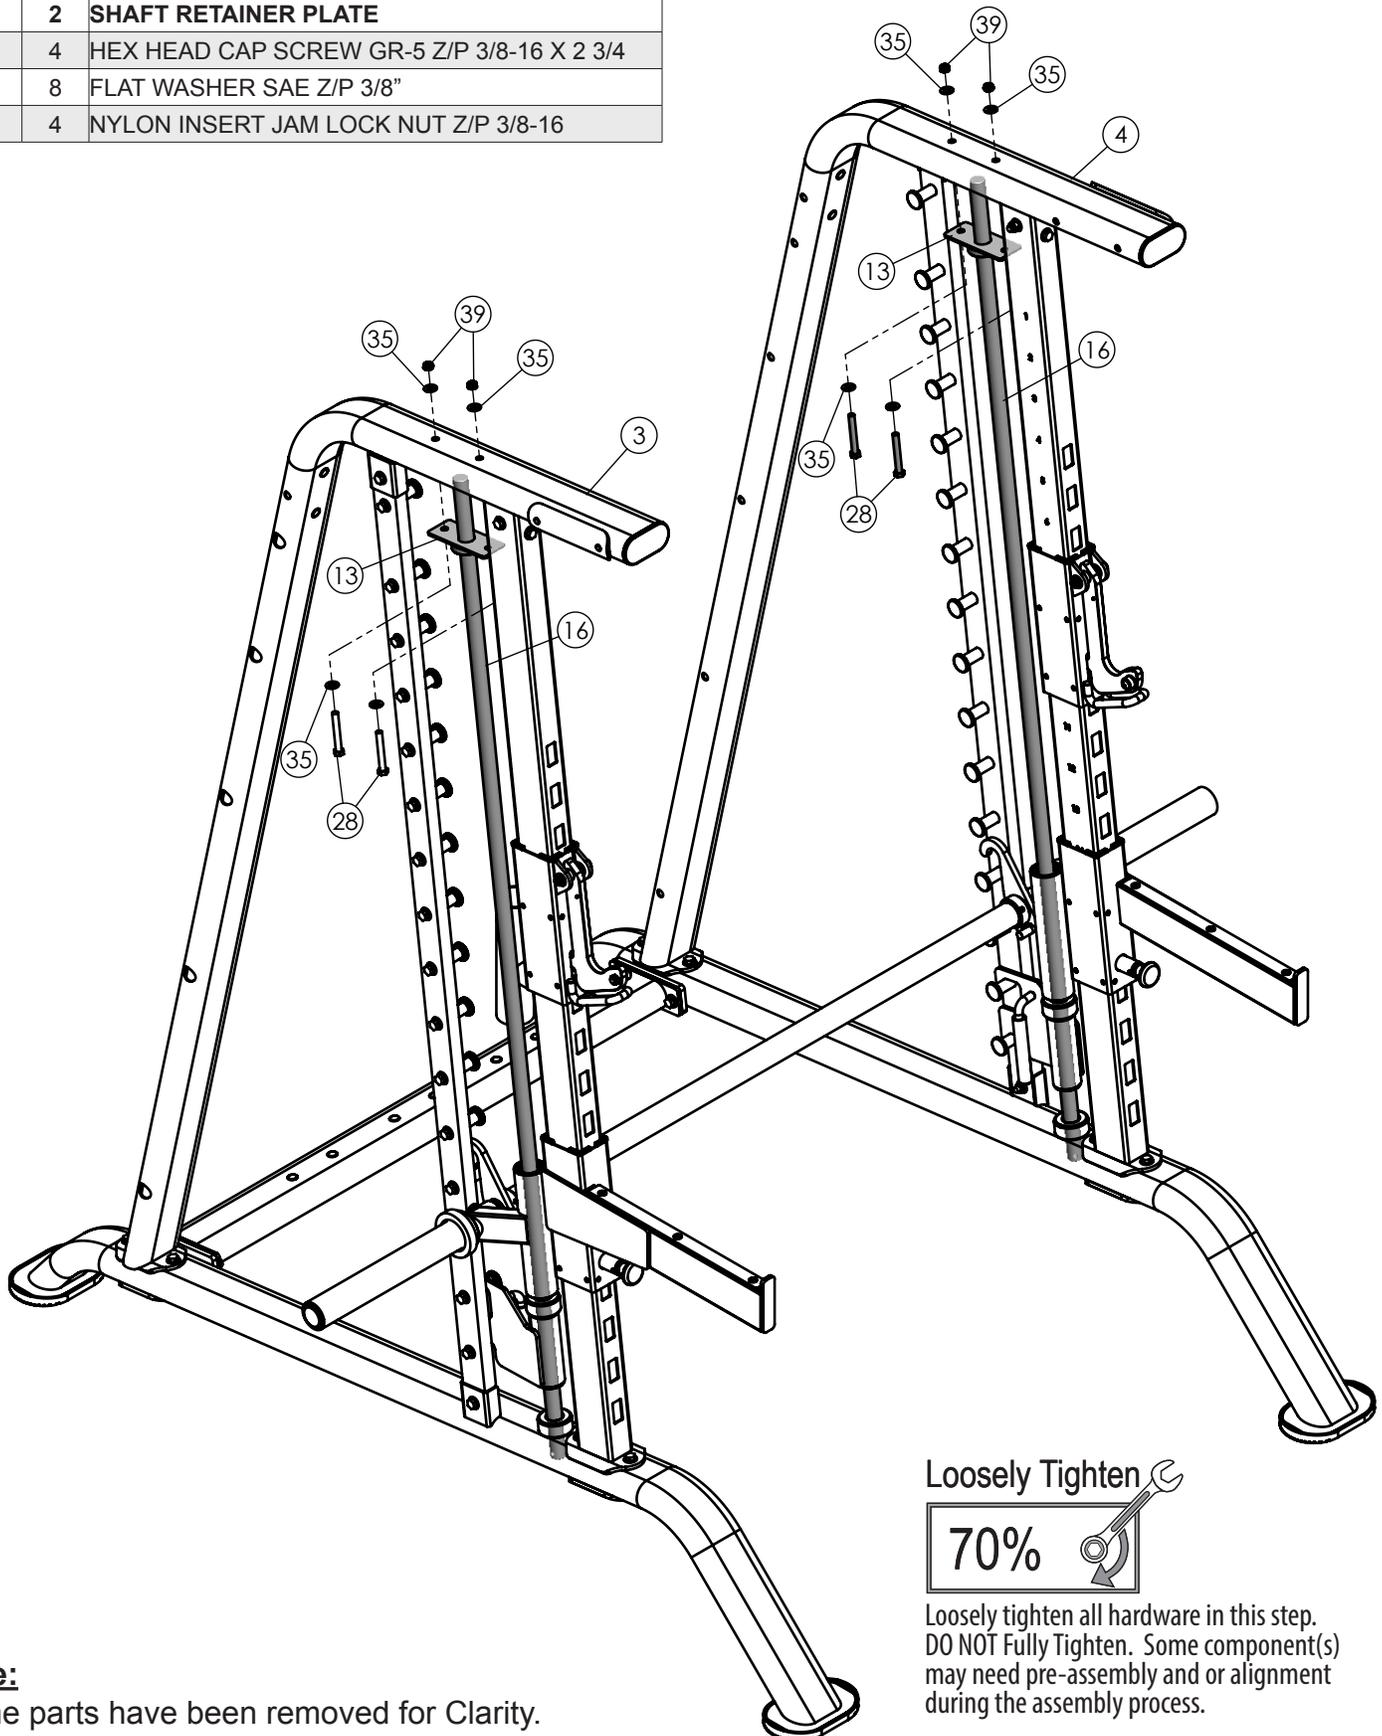

Loosely tighten all hardware in this step. DO NOT Fully Tighten. Some component(s) may need pre-assembly and or alignment during the assembly process.

Step 8

Step 8 Assembly List

Item	Qty.	Description
13	2	SHAFT RETAINER PLATE
28	4	HEX HEAD CAP SCREW GR-5 Z/P 3/8-16 X 2 3/4
35	8	FLAT WASHER SAE Z/P 3/8"
39	4	NYLON INSERT JAM LOCK NUT Z/P 3/8-16

Note:
Some parts have been removed for Clarity.

Step 9

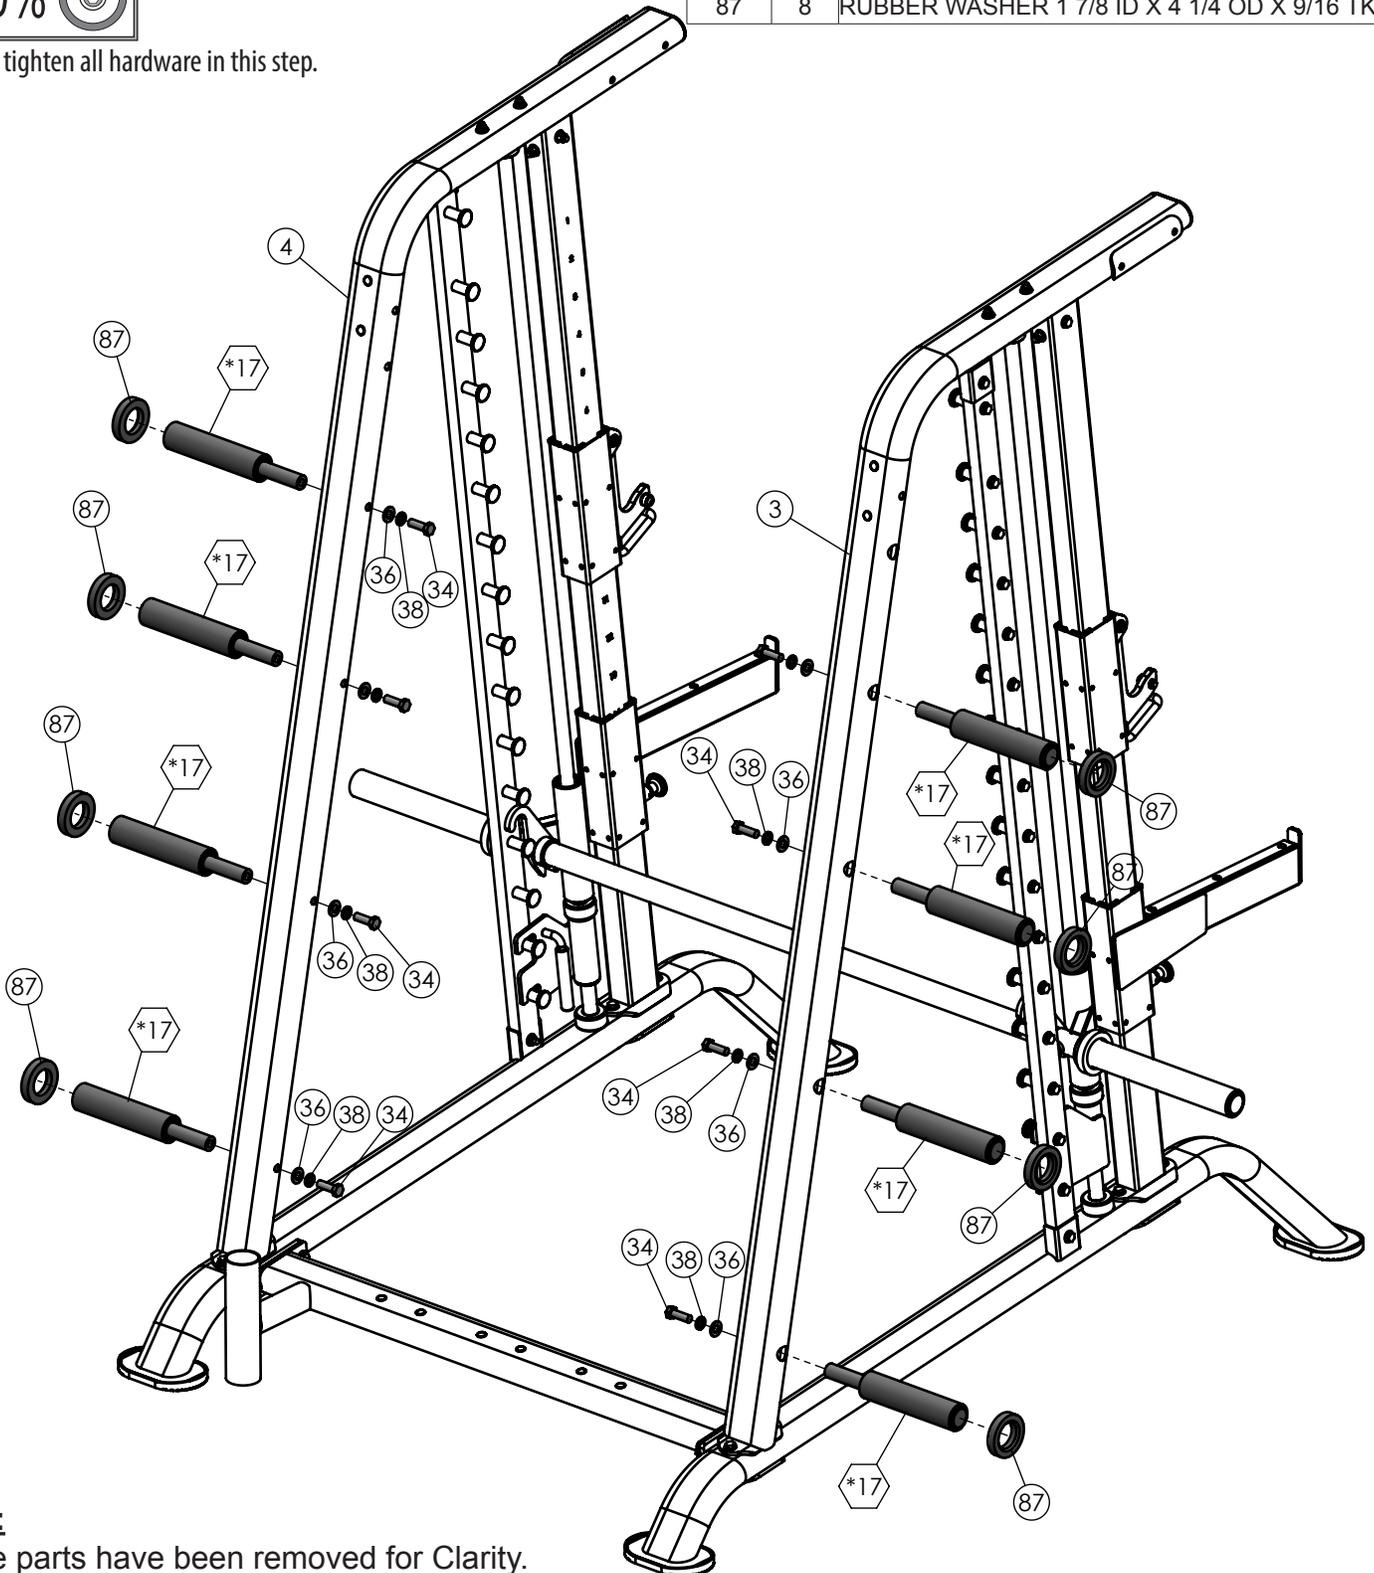

Step 9 Assembly List

Item	Qty.	Description
*17	8	OLYMPIC ADAPTER 1 X 8 X 3 9/16 AXLE ASM
34	8	HEX HEAD CAP SCREW GR-5 Z/P 1/2-13 X 1 1/4
36	8	FLAT WASHER SAE Z/P 1/2"
38	8	SPLIT LOCK WASHER B-Z/P 1/2"
87	8	RUBBER WASHER 1 7/8 ID X 4 1/4 OD X 9/16 TK

Fully Tighten

Wrench tighten all hardware in this step.

Note:

Some parts have been removed for Clarity.

Step 10

Step 10 Assembly List

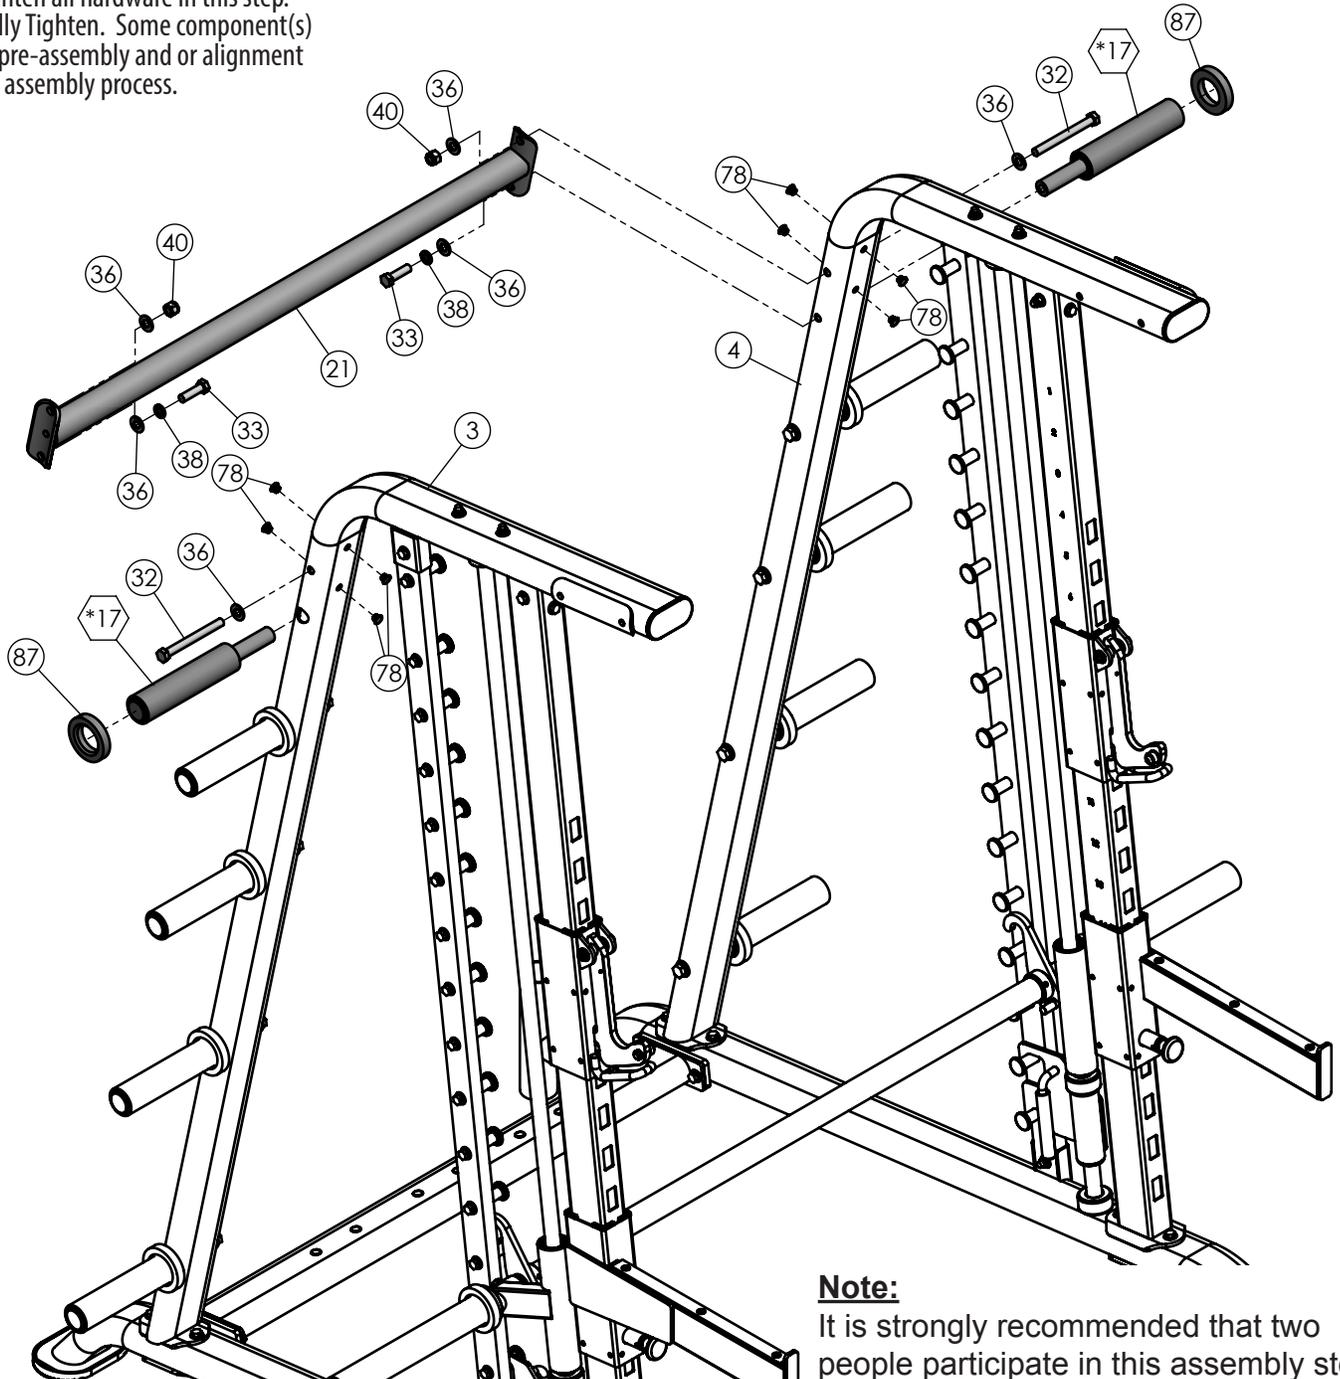

Item	Qty.	Description
*17	2	OLYMPIC ADAPTER 1 X 8 X 3 9/16 AXLE ASSEMBLY
21	1	TOP CROSS BRACE
32	2	HEX HEAD CAP SCREW GR-5 Z/P 1/2-13 X 4 3/4
33	2	HEX HEAD CAP SCREW GR-5 Z/P 1/2-13 X 1 1/2
36	6	FLAT WASHER SAE Z/P 1/2"
38	2	SPLIT LOCK WASHER B-Z/P 1/2"
40	2	NYLON INSERT LOCK NUT Z/P 1/2-13
78	8	NYLON SNAP-IN FINISHING PLUG 3/8"
87	2	RUBBER WASHER 1 7/8 ID X 4 1/4 OD X 9/16 TK

Loosely Tighten 

70%

Loosely tighten all hardware in this step. DO NOT Fully Tighten. Some component(s) may need pre-assembly and or alignment during the assembly process.

Note:

It is strongly recommended that two people participate in this assembly step.

Step 11

Step 11 Assembly List

Item	Qty.	Description
*22	1	TOP CROSS BRACE WITH CHIN UP BAR ASSEMBLY
25	4	HEX HEAD CAP SCREW GR-5 Z/P 3/8-16 X 5
35	8	FLAT WASHER SAE Z/P 3/8"
39	4	NYLON INSERT JAM LOCK NUT Z/P 3/8-16
78	6	NYLON SNAP-IN FINISHING PLUG 3/8"

Loosely Tighten 

70% 

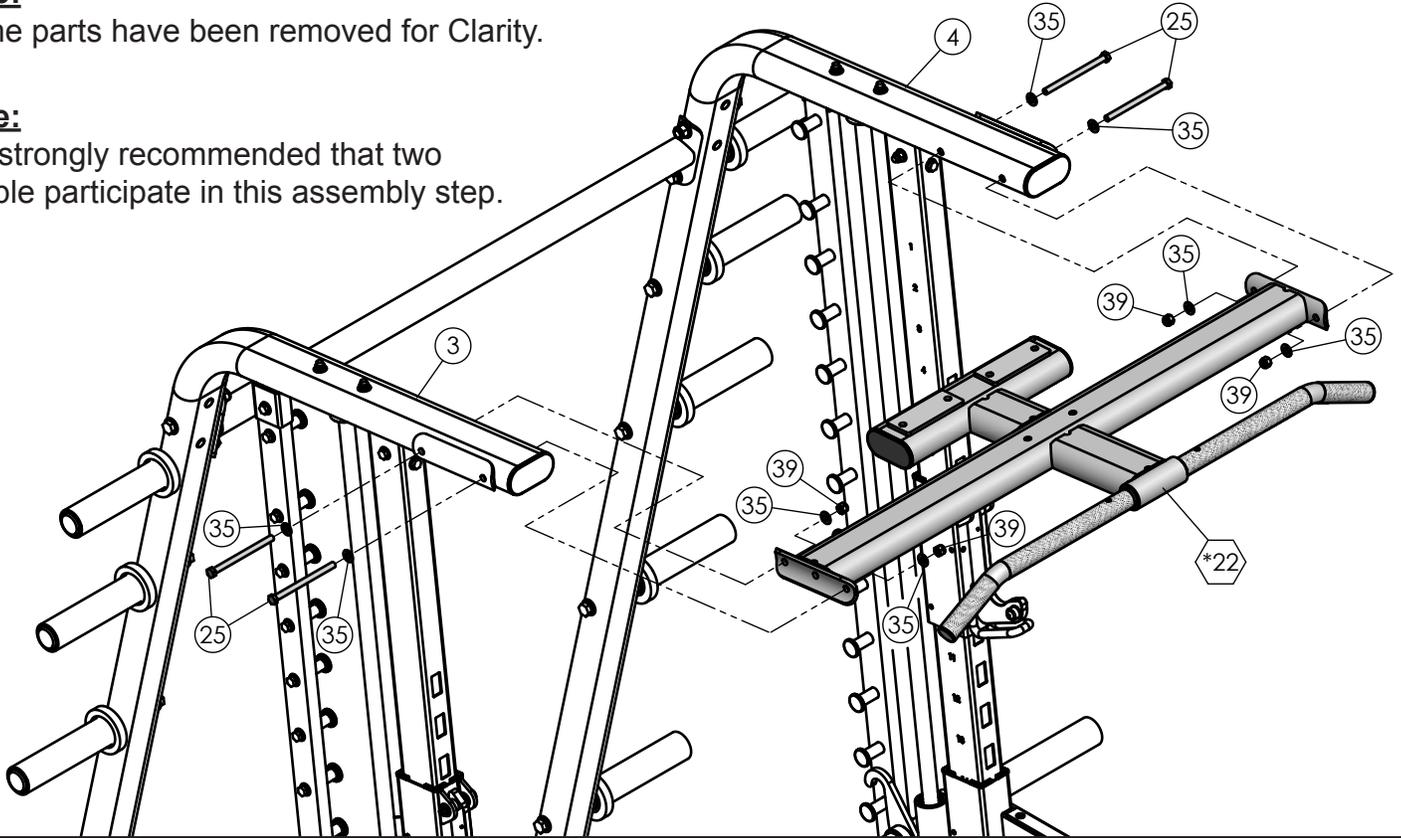

Loosely tighten all hardware in this step. DO NOT Fully Tighten. Some component(s) may need pre-assembly and or alignment during the assembly process.

Note:

Some parts have been removed for Clarity.

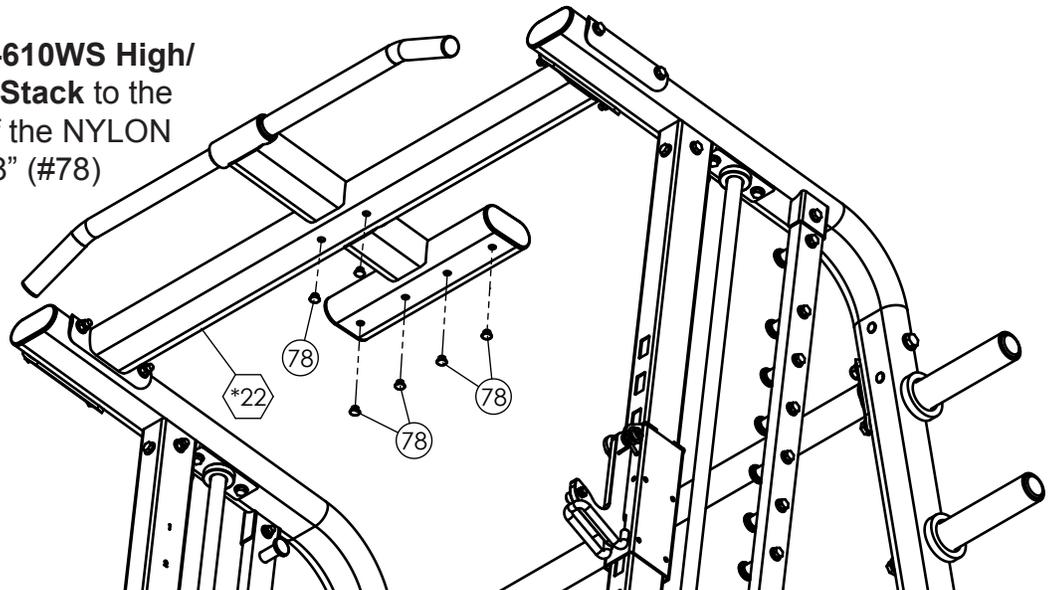

Note:

It is strongly recommended that two people participate in this assembly step.

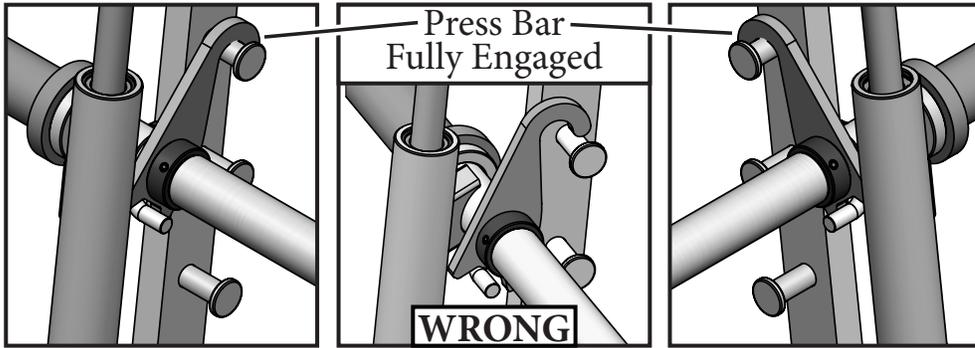

Note:

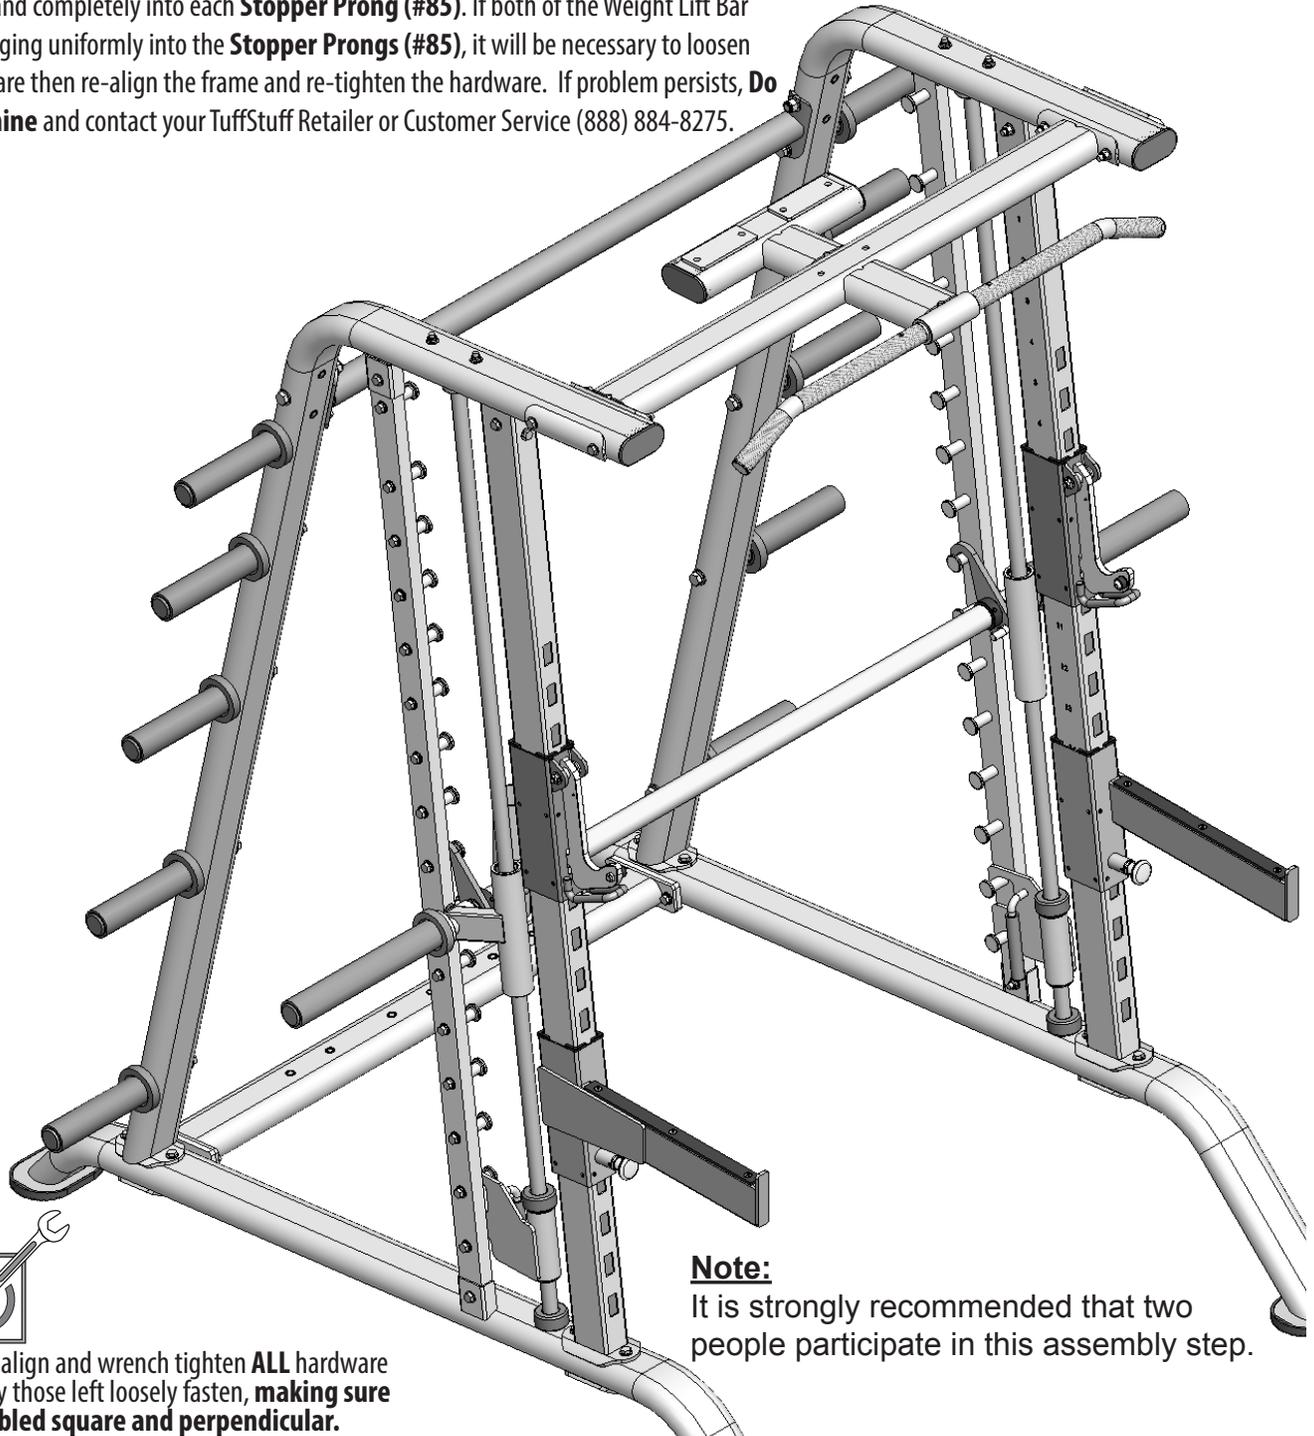

If you are Assembling the **CHL-610WS High/Low Pulley w/200 lbs Weight Stack** to the **CSM-600**, skip the assembly of the **NYLON SNAP-IN FINISHING PLUG 3/8"** (#78)

Step 12

DANGER: Pay special attention to the **Weight Lift Bar Assembly (*20)** making sure both hooks engage uniformly and completely into each **Stopper Prong (#85)**. If both of the Weight Lift Bar Hooks are not engaging uniformly into the **Stopper Prongs (#85)**, it will be necessary to loosen some frame hardware then re-align the frame and re-tighten the hardware. If problem persists, **Do Not Use the Machine** and contact your TuffStuff Retailer or Customer Service (888) 884-8275.

Fully Tighten

100%

Proceed to inspect; align and wrench tighten **ALL** hardware assemblies specially those left loosely fasten, **making sure the unit is assembled square and perpendicular.**

Note:

It is strongly recommended that two people participate in this assembly step.

N o t e s

LIGHT COMMERCIAL WARRANTY

This warranty applies only in the United States to the products manufactured or distributed by TuffStuff Fitness International (TFI) under the TuffStuff brand name. TFI warrants to the original purchaser that TuffStuff equipment will be free from defects in material and workmanship. All warranty periods begin to run from the date of purchase to the original purchaser. The warranty and remedies set forth herein are conditioned upon proper storage, installation, use and maintenance and conformance with any recommendations of TFI. This warranty does not cover products not manufactured by TFI or products which are altered without the express written consent of TFI.

LIGHT COMMERCIAL WARRANTY:

- TEN (10) Years:** Structural main frames, welds, cams and weight plates.
- FIVE (5) Years:** Pivot bearings, pulleys, bushings, guide rods and gas shocks.
- ONE (1) Year:** Belts, linear bearings and pull-pin components.

All other parts not mentioned elsewhere in the warranty will expire one (1) year from the date of purchase to the original purchaser.

- SIX (6) Months:** Upholstery, cables, finish and rubber grips.

HOME LIFETIME WARRANTY:

LIFETIME of the equipment while owned by the original purchaser (applies only to defects from manufacturer only).

This warranty does not cover:

1. TuffStuff products sold for and used in a commercial or institutional environment.
2. Any damage, failure or loss caused by accident, misuse, neglect, abuse, improper assembly, improper maintenance, or failure to follow instructions or warnings in the owner's manual and warning labels posted on the machines.
3. Use of the product in a manner for which it was not designed.
4. Original product that is altered, or the use of replacement parts and components of another manufacturer other than TuffStuff.

Light Commercial Use:

Light Commercial Warranty applies to facilities like hotels, apartment complexes, personal training studios, fire & police stations, etc. where the equipment would be used by no more than 30 people per day.

The obligation of TFI under this warranty is limited to repairing or replacing warranted defective parts as TFI may elect, at TFI's facility in Chino, California, without charge to the purchaser. Purchaser is responsible for installation of repaired or replaced parts, and all transportation and insurance costs on returned or replaced equipment to and from TFI's facility in Chino.

THE FOREGOING SHALL CONSTITUTE THE SOLE REMEDY OF THE PURCHASER AND THE SOLE LIABILITY OF TFI WITH REGARD TO WARRANTY. NO IMPLIED STATUTORY WARRANTY OR IMPLIED STATUTORY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL APPLY. IN NO EVENT, WHETHER AS A RESULT OF BREACH OF CONTRACT, WARRANTY, NEGLIGENCE OR OTHERWISE, SHALL TFI BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS OR REVENUE, LOSS OF USE OF EQUIPMENT, COST OF CAPITAL, COST OF SUBSTITUTION EQUIPMENT, DOWNTIME COST, OR CLAIMS OF CUSTOMERS OR PURCHASER FROM SUCH DAMAGE.

This written warranty is the final, complete and exclusive agreement of the parties with respect to the quality or performance of the equipment and no action for breach of this written warranty or any implied warranty shall be commenced more than one (1) year after the accrual of the cause of action. No modification of this warranty or waiver of its terms shall be binding on either party unless approved in writing by an authorized representative of the party. Contact TuffStuff Fitness International at 13971 Norton Avenue, Chino, CA 91710, before returning any defective equipment.

This warranty gives you specific legal rights and you may also have other rights, which may vary from state to state.
