Catalogue 2025

Welcome to Passion for Linen, where we have cherished our passion for sleep and high-quality bedding for the past 12 years. We strongly believe in the importance of quality bedding, as most people spend a third of their time in bed. A good night's sleep greatly contributes to our overall well-being, and that's why we strive to make a significant contribution to the quality of your sleep with our collection.

At Passion for Linen, linen makes up 80% of our collection, and this is not without reason. We are in love with the unique, rugged look of linen and cherish its many positive attributes, while also being environmentally friendly. Our linen is carefully selected in Rouen, France and manufactured into finished products by renowned family businesses in Portugal that operate according to the Oeko-Tex standard. Furthermore, our European linen label guarantees the quality and origin of the flax.

Linen is available in various qualities, and we emphasize the importance of distinguishing between these qualities. Linen from Asia simply cannot be compared to the quality that we offer. Passion for Linen supplies to retailers, department stores, projects, and hotels worldwide. Especially for the latter group, we have added a number of products in exceptionally high-quality cotton satin and cotton percale. In addition to our exclusive bedding, we also offer accessories to stylishly furnish a bedroom and living room, including beautiful decorative cushions, bedspreads, and throws made of natural materials, all produced in Portugal.

Passion for Linen is your partner for exclusive bedding and luxury accessories made of natural materials and produced in Europe. I warmly welcome you to our world of comfort and style.

Warm regards,

*Barbara Sprengers*

# Patara

The Patara bath mat looks very attractive in any bathroom. Patara is made of 100% cotton and has a slightly frayed trim for a playful accent.

The bath mat has an anti-slip bottom layer, except for the color white. The Patara bath mat matches all our hand towels.
