Cosmic Dreamer

The Cosmic Dreamer collection
is inspired by the new generation
sweet 10sixteens.

You are the muse, you are the
inspiration. Don't change anything,
just be you and dream your
dreams

Stay Wild.
Have fun with your
looks and follow
your own path.

10sixteen ❤️

A young person with voluminous, curly brown hair is crouching against a solid red background. They are wearing a red corduroy jacket and black pants. They are looking back over their shoulder towards the camera. In the upper right corner, there is a graphic of a starburst or constellation of white stars and dots. The overall mood is inspirational and artistic.

Follow your dreams. They know the way.
Take the risk and don't look back.
