

### THE MARKET'S STANDARD

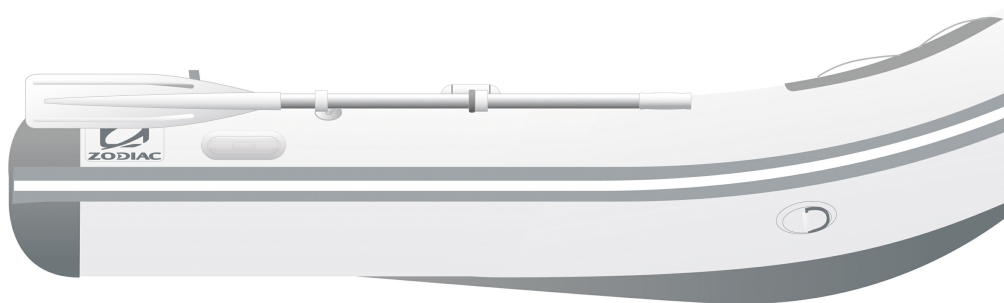

Setting the foundation for the market's standard through utilization of the best materials, and an assembly by welding the buoyancy tubes, guarantees optimal resistance and durability. With a complete range of accessories, you can find the best patented Zodiac Nautic products such as the rowlock and its tridimensional adjustment or the internal command drain plug, more practical and safer to use. Available in three floor versions (depending on the size), to select linked to the load capacity available onboard.
