WITH RECYCLED FABRICS

## Ramatuelle Beachwear

*Look sharp on beach and boardwalk!*

Our goal at Ramatuelle Beachwear is to deliver the perfect swim shorts for the fashion conscious modern man. We will make sure that you're ready for the summer and that you look cool in your Ramatuelle swim shorts.

**LIKE FATHER LIKE SON.** We also have a complete boy's swimwear collection which replicate the adult patterns in smaller sizes. This makes it perfect for father and son to match on vacation.

Our products are inspired by the Riviera lifestyle. Just as the Cote d'Azur, our swim shorts are luxurious and they provide the ultimate summer feeling. As designers we continuously observe our surroundings to find things we can use in our Beachwear designs. We find beautiful colour combinations in nature like the colours in a sunset, landscapes and life under the sea. We combine small pieces of inspiration that we found, we find the essence of the things we like and use it to create our own unique designs.

**SUSTAINABLE FABRICS:** Because we want to contribute in the healthiness of our oceans, we are working with recycled fabrics made out of plastic bottles. **JOIN US TO THIS JOURNEY AND BUY YOUR RAMATUELLE SWIM SHORTS THIS SUMMER!**

Characteristics of some of our products:

**RECYCLED:** The outer fabric of these shorts is made 100% from recycled bottles.

**ENZYME WASHED:** A treatment that makes the garment look used.

**SHARP MEMORY FABRIC:** This fabric is easily ironable by striking it with your hand.

**PEACH SKIN:** The fabric has been treated for it to be smooth to the touch.

**KID'S SIZES:** We also have the sizes for the small ones of the family! \*Sometimes in different colours.

**LOTUS EFFECT:** The fabric has gone under a treatment that makes it water repellent. Extra quick dry.

**BRUSHED NYLON:** Fabric treated with a brushing process to give a softer and warmer finish.

**SEERSUCKER:** Lightweight 3D fabric with a puckered appearance. It is held away from the skin facilitating heat dissipation and air circulation.

**FABRIC WITH SPANDEX:** Fabric with 5-6% elastic fibres to give the garment a comfortable stretch fit.

**INNER BRIEF:** Inner brief with soft elastic on the leg opening for extra comfort.
