<b>41-42</b>	<b>KIDS</b>

# CHARACTERISTICS

Characteristics of some of our swim shorts:

**Stretch** Stretch type of fabric to maximise comfort.

**Seersucker** Type of fabric with small undulations that keeps the garment away from sticking to the skin when wet.

**Magic print** When dry is a solid colour swim short but when wet a print appears.

**Velvet** Overlay pattern with velvety texture.

**Water repellent** Fabric with a treatment that doesn't absorb the water. The swim short gets quickly dry after getting out of the water.

**Peach finish** A treatment to the fabric that makes it very soft to touch.

This icon indicates there are kids sizes available.

This icon indicates the swim short is made out of recycled fabric.
