

SOAK OFF TOP GEL

Product Description

Choose one of the Gelosophy Soak Off Top Gels for the perfect finish for the nail professional as the final step in your Gelosophy manicure or nail enhancement service. Gelosophy provides the nail professional three different finishes:

- Soak Off Top Gel - with a dispersion layer
- Soak Off No- Cleanse Top Gel – with no dispersion layer
- Soak Off Matte Top Gel – with no dispersion layer

Soak Off Top Gels seals both the Gelosophy manicure and nail enhancement service with a brilliant unparalleled shine. All variations, whether Top with dispersion layer, No-Cleanse Top, Gel or Matte Top Gel. These Soak Off Top Gels work only in combination with Gelosophy Soak Off Base Gel and any of the Gelosophy colors. Gelosophy Soak Off Matte Top Gel allows for fashion oriented nail art variations.

Features & Benefits

- Easy brush application
- To use with acrylics, gels and Gelosophy
- Highest quality brush that remains flexible without splitting for smooth application
- Perfect grip brush handle for secure brush control
- Perfect viscosity
- Soak Off Top Gel and Soak Off No-Cleanse Top Gel have a mirror finish
- Soak Off Matte Top Gel has an outstanding matte effect

Usage

Lightly roll the bottle between hands. Open the bottle from bottle and wipe one side of the brush on the neck of the bottle. Apply the gel over the entire surface of the gel polish and cure: LED: 1 min. / UV: 3 min.
