

We always have some special plants from our fellow growers abroad in our assortment. For the coming year 2020 we will also bring a few more Camellias. There is a choice of over 200 different ones and would like to give any interested enthusiasts the opportunity to place an order from this list. If you are interested, you can send an email about this before 1 February 2020 to [info@atouchofgreen.nl](mailto:info@atouchofgreen.nl).
