Hello Spring & Summer

A nostalgic journey
through the earth,
the sun and the future.

Discover the new Bulaggi SS25 collection: a journey inspired by the sun, by nature, and a fresh outlook on the future. Our collection features three unique themes: Earth, Sun, and Future, each representing its own style and character.

EARTH

For those who love timeless elegance and a natural material look. This theme focuses on handcrafted techniques like knitting and braiding, combined with deep, earthy colours. The bags are adorned with antique-brushed details that are both practical and stylish, perfect for a casual yet refined look.

SUN

Brighten up your day with the Solar theme, where vibrant colors meet subtle pastels. This theme offers bags with a playful sheen and a natural, fresh feel. With bright yellow accents and sleek hardware in shiny nickel or gunmetal, these bags are both eye-catching and versatile. Suitable for any occasion, from large shoppers to compact cute handbags.

FUTURE

Embrace a modern and fresh style with the Future theme. These bags are designed in crisp shades of white, silver, and denim, complemented by subtle colours like sand, yellow, and cognac. Focussed on clean lines and metallic accents, these bags offer a contemporary look. The perfect choice for those who love innovation and style.

The Bulaggi SS25 collection offers something for everyone, with bags ranging from casual to chic, all with a cheerful, modern twist. Discover our new collection now and add a touch of style to every spring and summer wardrobe!

Team Bulaggi
