Hello Spring & Summer

BULAGGI

**Zensational & Bliss:
Where Serenity
Meets Style**

We are living in an in-between time a moment of transition where old certainties give way to new perspectives. In this shifting landscape, the desire for meaningful normality is growing: stylish, creative, and full of character. Bulaggi SS26 responds to this spirit of the times. No safe choices, but bold designs with personality. Darker tones are gaining ground, even in summer, creating striking contrasts. This collection invites you to color outside the lines — with bags that make a statement and tell a story.

Go beyond the expected. Dare to surprise.

In a world searching for balance and meaning, Bulaggi presents two distinct moods for Spring/Summer 2026: Zensational and Bliss. Each mood has its own unique aesthetic, yet both grounded in elegance, tranquility, and authenticity.

The Calm of Zensational

In a world that craves silence and serenity, Zensational finds beauty in simplicity. This story is expressed in a neutral palette of soft mineral tones, radiating quiet luxury. Clean silhouettes and tonal layering create visual harmony, while refined materials add depth think delicate embroidery, subtle crinkled textures, and the shimmer of tiny sequins. Prints step aside to let textures shine. Silver and brushed gold hardware create a cool, elegant finish. Zensational is a mood of stillness, clarity, and pure sophistication.

The Warmth of Bliss

Bliss captures the soulful side of summer where nature and culture come together in a celebration of craft and connection. This mood embraces earthy colors enriched with vibrant, spicy accents. Artisanal details take the lead: woven effects, bamboo touches, and straw-inspired materials create a tactile, handmade feel. Snake prints add energy, suede creates softness, and playful bag charms complete the look. Finished with brushed and light gold hardware, Bliss is warm, expressive, and full of character a summer story with both roots and richness. Two moods, one story: a season of calm, character, and creativity. This is Bulaggi SS26.
