

PanaVise In-vehicle Holder and Mount for XP5s

Sonim in-vehicle holder and mount, by PanaVise, is made in the USA of tough metal alloy, designed to meet the ultra-rugged performance standards of the Sonim XP5s. The ultra-reliable holder and mount is adjustable to multiple positions, and it includes built-in cable management for charging cables. This is an affordable, reliable and safe in-vehicle solution to support handsfree compliance.

Pro Tip

Combine the In-vehicle Holder, Wired RSM and Car Charger, for the optimal on-the-go solution. In-vehicle, insert the XP5s into the holder, connect the charging cable and use the RSM for calls. Remove the XP5s from the holder, along with the RSM, for calls out of vehicle.
