

## PanaVise In-vehicle Holder and Mount for XP8

Sonim in-vehicle holder and mount, by PanaVise, is made in the USA of tough metal alloy, designed to meet the ultra-rugged performance standards of the Sonim XP8. The ultra-reliable holder and mount is adjustable to multiple positions, and it includes built-in cable management for charging cables. This is an affordable, reliable and safe in-vehicle solution to support handsfree compliance.

### Pro Tip

Combine the In-vehicle Holder, Wired RSM and Car Charger, for the optimal on-the-go solution. In-vehicle, insert the XP8 into the holder, connect the charging cable and use the RSM for calls. Remove the XP8 the holder, along with the RSM, for calls out of vehicle.
