

CLIXX SLIM magnetic tracks - DOT24

CLIXX SLIM magnetic LED module DOT24 consists of 24 lenses which project downwards. The DOT24 modules provide general lighting. It is not possible to look directly into the module, which gives it a luxurious and minimalistic look. CLIXX SLIM magnetic LED module DOT24 can be applied in every interior and in restaurants, hotels and offices. CLIXX SLIM DOT24 is made of durable aluminium with a powder coating. These modules are available in black and white. For the CLIXX SLIM LED module, choose the dimming method that corresponds to the dimming method of the CLIXX SLIM profile.
