

## CLIXX magnetic tracks - LINE32

CLIXX magnetic LED module LINE32 is a module that provides general lighting. This module is suitable for application areas such as shops, offices and living areas like living room, kitchen and hallway. The CLIXX magnetic LED module LINE32 is made of durable aluminium and powder-coated. These modules are available in the colours white and black. In addition, this module is also available in longer dimensions for even more lighting in longer lines. Configure the CLIXX system according to your own wishes. For the CLIXX LED module, choose the dimming method that corresponds to the dimming method of the CLIXX profile.
