

WALL LAMP ROOF INDOOR/ OUTDOOR

ROOF | TUBE WALL LAMP INDOOR / OUTDOOR

Indoor / outdoor wall lamp ROOF

The ROOF wall lamp is suitable for both indoor and outdoor use. The wall lamp is easy to attach to your house at the front door or in your garden at the back door. The LED outdoor lamp provides diffused light, creating mood lighting where you can easily find the right key for your home. Our ROOF wall lamp is made of durable aluminum and the lamp is energy efficient. Due to the cap on the top of this lamp, the light will mainly shine forward and down.

Light is primarily functional and creates more visibility and a sense of security. Outdoor lighting also creates atmosphere so that you can enjoy more lighting at the house or in your garden in the evening. Our outdoor lamps are also ideal accessories for in and around your home
