

TUBE WALL LAMP INDOOR / OUTDOOR

TUBE | TUBE WALL LAMP INDOOR / OUTDOOR

LED indoor / outdoor wall lamp TUBE

Lighting is important not only in the interior, but also outside. That is why Lightinova provides outdoor lighting and garden lighting. Our range of outdoor lighting consists of modern designed wall lamps and wall spots, ground spots, ceiling spots and garden lighting that fit perfectly into contemporary architecture. The lamps have a high IP value, so they do not rust and the lamps are waterproof.

The TUBE wall lamp is suitable for both indoor and outdoor use. This round wall lamp is made of durable aluminum and the wall lamp is energy efficient. The light beam will create beautiful light effects on the walls and facades
