

CEILING BOXX DOUBLE GU10

BOXX | BOXX CEILING DOUBLE GU10

Design ceiling spot BOXX single - black

Because of its geometric shape, the design of the BOXX surface mounted spot is minimalistic, sleek and timeless. This surface-mounted ceiling spotlight BOXX can be used in your living room, kitchen and bedroom, but also in a hotel, restaurant, office and other public areas. The BOXX ceiling spot is available in GU10 and AR111 lamp base. This allows you to easily select the desired lamp and replace it when necessary. The BOXX ceiling spot is tiltable and if you purchase a dimmable lamp, also dimmable. Available in single and double version in white and black.

LED | V~AC 220 - 240V | CE | IP20 | CRI > 90 | > 50.000 h
