

# HYDE 430 MM

HYDE | HYDE 430 MM

## Modern LED ceiling light HYDE small 430 mm - black

The HYDE ceiling light is characterized by its modern and sleek design. The light sources are hidden in the fixture, creating an atmospheric light effect. The light sources can also be tilted to illuminate different objects. The color temperature of the HYDE ceiling light is 3000K, which generates a neutral warm white light. This color temperature is suitable for application areas such as homes, restaurants, offices and hotels. The HYDE fixture is made of durable aluminum. Available in different sizes as HYDE ceiling lamp and HYDE pendant lamp. Combine the HYDE lamps from this collection for a calm appearance.

LED | V-AC 220 - 240V | CE | IP20 | CRI > 90 | > 50.000 h
