DISC | DISC Ø148 MM

LED ceiling lamp DISC ø148mm

The DISC collection is characterized by its simple round shape. Because of its simplicity, this lamp is timeless in every design and interior. With a compact diameter of 148 mm and different colors you can create a dynamic look by using several DISC lamps. The DISC lamp is, due to its low wattage, an energy-efficient alternative to conventional lamps. A long life-time due to the strong aluminum and the internal LED lamp.
