

TUBE MENDOTA WALL LAMP

TUBE | TUBE MENDOTA WALL LAMP

TUBE MENDOTA wall lamp

The LED wall lamp TUBE Mendota is characterized by its minimalist design. The slim fixture is mounted on the wall and the LED lighting is incorporated into the back of the round rod. The lamp produces diffuse indirect light on the wall and creates a luxuriously warm ambience. This Mendota wall lamp is rotatable, so it can easily be placed at an angle.

Available in the color black.
