ELB 1200

Your Adventure. Wherever You Are.

Unlock the potential of the ELB 1200's ecosystem. With the choice of two batteries and a mains solution, follow your inspiration wherever it takes you. Go out on location or stay in a studio, the choice is yours.

Portable Power

Light in weight yet rich in performance, the ELB 1200 weighs a mere 4.3 kg (9.5 lbs.). Its outstanding power of 1200 Ws/J allows you to overpower the sun, freeze motion and darken the sky.

The ELB 1200 is built to deliver more.

Enhanced Creativity with Hi-Sync

By combining ELB 1200 Hi-Sync flash heads with the Elinchrom PRO transmitter, synchronise up to 1/8000s and explore new creative possibilities. Take control of the ambient light whatever the conditions.

Create your own studio outdoors.

Photo & Video in One Pack

Equipped with a bright dimmable daylight LED modelling lamp, the ELB 1200 flash heads provide exceptional lighting capabilities for both still photography and video.

Save weight and time with one single setup.

Countless Stories to Tell

Photography is all about telling a story and lighting is an integral part of this. Together with the Elinchrom range of accessories, benefit from perfect light distribution and generate high-end light quality.

Bring light to your stories.
